Section 8: Underwriting Options

Full Medical Underwriting (FMU)	☐	Medical History Disregarded (MHD)	☐
Continued Personal Medical Exclusions (CPME)	☐		

Full Medical Underwriting (FMU) is the process where the **Underwriters** assess the declared details in deciding if any special terms apply. For FMU, all members (employees and **Eligible Dependants**) are required to complete a WorldCare application form for group (FMU) employees and send it to Now Health International (Europe) Limited, Suite G3/4, Building Three, Watchmoor Park, Camberley, Surrey, GU15 3YL, United Kingdom.

Medical History Disregarded (MHD) is when we may be able to cover **Your** employees without asking detailed questions about their medical history up-front. MHD is available for compulsory groups of 10 or more employees.

Continued Personal Medical Exclusions (CPME) is when we may be able to consider transferring your employees, without a break in cover, from their previous insurer, without the need for **Your** employees to be asked further questions about their medical history up front. This means that that any special acceptance terms applied by the previous insurer will be transferred to and governed by the terms and conditions of Now Health International **Plans**. In order for such a transfer to be considered, we will require you to complete a CPME Declaration Form, which will be assessed by our Underwriters. **We** will also require a copy of each employees expiring certificate from the previous insurer, showing their underwriting terms. CPME is available for compulsory groups of 5 or more members. CPME is not available for employees who were previously covered on either a MHD basis or a Moratorium basis with their previous insurer.

We need a full membership list as follows and it must include these details for each person to be covered (A template is available from www.now-health.com or by calling +44 (0) 1276 602100).
