# High Cost Providers List

This list shows the medical providers that we exclude from SimpleCare cover.

We do not cover any treatment costs incurred in any medical provider that is within our High Cost Providers List. We will update our High Cost Providers List on a periodic basis. Please note that new units of Hospital Groups are automatically included as a High Cost Provider, regardless if they are specifically named or not.

For details of our High Cost Providers List, please chat with us live or request a call back from the Now Health website, or email us at [GlobalService@now-health.com](mailto:GlobalService@now-health.com)
