Important notes:

We will only pay for **Evacuation** costs that have been authorised and arranged by **Our Emergency** assistance service.

We will not pay for Your Evacuation costs if the Evacuation is directly or indirectly related to a Medical Condition which has been specifically excluded on Your Certificate of Insurance, or to any other Medical Condition or event specifically excluded in Your Plan.

3.4 What must I provide when making a claim?

Please make sure that You complete all the forms We ask You to.

You must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500 please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

3.5 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**.

There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

3.6 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

3.7 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

 $\textbf{You} \ \text{must tell } \textbf{Us} \ \text{on the claim form if } \textbf{You} \ \text{are able to claim any of the cost from another person.}$

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, You must repay Our outlay in full; or
- if You recover only a percentage of Your claim for damages You must repay the same percentage
 of Our outlay to Us.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Plan** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

3.8 You have a Co-Insurance on Your Plan

Any **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A Co-Insurance is the amount You pay towards the cost of a claim for any Insured Person on Your Plan.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover.** For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100, then the **Insured Person** will have to pay USD 20 and **We** will pay USD 80 towards this claim.

You need to submit Your claim form and bills, so We can administer Your Plan correctly.

3.9 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will endeavour convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

3.10 What currencies can claims be made in?

You have the choice of claims reimbursement in either the currency of **Your Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice. Listed below are the currencies **We** can transact in.*

6.2 Premium payment

At the start of each **Plan** year, **We** will calculate **Your** new premium and let **You** know how much it is. **We** offer a choice of monthly, quarterly, semi-annual or annual premiums. Payments can be paid by credit card, bank transfers or cheques. Credit card and bank transfers can be used for annual premiums only. Premiums are payable for each person covered and any increase will normally take effect from the annual **Renewal Date** of **Your** membership.

If **You** pay by credit card, bank transfer or cheque, **We** will collect the first premium when **Your Plan** starts and subsequent premiums when they fall due. However **You** pay **Your** premium at the moment, bear in mind that **You** can change to another method simply by contacting **Our** Customer Service team on +971 (0) 4450 1415.

You must pay Your premium when it is due. Depending on Your preferred payment method, You must pay Us before the Start Date, the due date or within 30 days of Our written acceptance at the latest, if a cover note is issued. If You do not, We will cancel Your Plan and will not pay for any Treatment or Benefit entitlement arising after the date that the premium became due.

We make every effort to maintain premiums at as low a level as possible, without compromising the range and quality of the cover provided. **We** review premiums each year to take account of a range of statistical factors.

Typically the cost of premiums increases at a level higher than the Retail Price Index (RPI). **You** will receive reasonable notice of any changes in premium. **Your** premium will also include the amount of any insurance premium tax or other taxes or levies which are payable by law in respect of **Your Plan**.

Premiums are based on age at the **Entry Date** or subsequent **Renewal Date**. When the **Dependant** child is an **Insured Person**, the current age shown in the premium tables will apply.

The maximum entry age is 79. You must be under 80 years of age at the Entry Date of Your Plan.

Full Medical Underwriting requires each person to be covered by **Our Plan** to complete and return an application form including the medical declaration. If **You** answer "Yes" to any of the questions, **You** will be required to provide details of the date of, and diagnosis; past/current and future known **Treatment**; details of the frequency and severity of symptoms including the date of the last episode. If available, **You** should provide any medical reports or test results with **Your** application. **You** may be required to complete a further medical questionnaire if **We** require more information. All information will be treated in strict confidence.

We rely on the information that You provide in the application form when We decide whether or not to accept Your application, and whether or not We need to apply special terms. Special terms are exclusions or conditions that We may apply to Your cover. If You submit a claim for the Treatment of any condition which You omitted to tell Us about here, or You omit to tell Us everything about any condition, We may refuse to pay that claim. We will tell You about any excluded Medical Conditions, restriction of coverage, and/or additional loading on Your Certificate of Insurance.

Dependents must be covered under the same level of **Benefits You** have, as the **Planholder**. 6.3.4 Start Date

Cover starts on the **Start Date** shown on **Your Certificate of Insurance** provided **We** have received **Your** premium payment. Depending on the preferred premium payment method, a cover note may be issued and premiums will be due within 30 days of **Our** written acceptance.

Membership may depend on local insurance licensing legislation in **Your Country of Residence**. **You** are obliged to meet local legislation requirements in **Your Country of Residence** at any time before and while **You** are a member of this **Plan**.

6.3.6 Non-Eligible residency

If **You** permanently reside in a country that is not covered by this **Plan** and which **We** have advised at **Renewal Date**, **You** are not **Eligible** for this **Plan**. For details of the **Excluded Countries** please contact **Our** Customer Service team on +971 (0) 4450 1415.

If subsequently **You** wish to add **Your** spouse, partner or child to **Your Plan**, **You** must either use **Your** online secure portfolio area at www.now-health.com or complete an add dependant application form. Cover will not start until **Your** application has been accepted by **Us** for that **Dependant** and **We** have received premium payment.

6.5 Adding New Borns

You can apply to add **New Born** babies (who are born to the **Planholder** or the **Planholder**'s spouse) to the **Plan** from their date of birth provided **You** notify **Us** of the addition within 7 days of their date of birth.

If **You** notify **Us** of the **New Born** babies addition after 7 days of their date of birth, **We** can only add them from the date of notification.

New Born babies addition can normally be done without filling out the details of their medical history provided **You** notify **Us** of their addition within 30 days of their date of birth. **You** can do this by applying via **Your** online secure portfolio area at www.now-health.com.

However, \mathbf{We} will require details of the baby's medical history if :

- the baby has been adopted; or
- the baby was born as the result of any method of assisted conception or following any type of fertility **Treatment**, including but not limited to fertility drug **Treatment**.

In such circumstances **We** reserve the right to apply particular restrictions to the cover **We** will offer, and **We** will notify **You** of those terms as soon as reasonably possible. This may limit **Your** baby's cover for existing **Medical Conditions**. This would mean that **Your** baby will not be covered for **Treatment** carried out for **Medical Conditions** which existed prior to joining, such as **Treatment** in a Special Care Baby Unit and **You** will be liable for these costs.

6.6 Changing Your cover

Subsequent changes in cover can only be made at renewal subject to review and acceptance.

6.7 Renewing Your cover

Your Plan is for one year, the Period of Cover. Prior to the end of any Period of Cover We will write to the Planholder to advise on what terms the Plan will continue, provided the Plan You are on is still available. If We do not hear from the Planholder in response, We will renew Your Plan on the new terms. Where You have opted to pay premiums by continuous credit card payments or other payment method, We may continue to collect premiums by such method for the new Plan year. Please note that if We do not receive Your premium, You will not be covered. If the Plan You were on is no longer available, We will do Our best to offer You cover on an alternative Plan.

6.8 Local taxes

You are liable for any local taxes and charges as established by the applicable laws. These have to be paid in full by **You** and will be shown on **Your Certificate of Insurance**.

8.1 Your rights and responsibilities

- 8.1.1 You must make sure that whenever You are required to give Us any information, all the information You give Us is sufficiently true, accurate and complete so as to give Us a fair presentation of the risk We are taking on (these are Your representations to Us). If We discover later it is not and that Your representations were deliberate, reckless or careless, then We may void the Plan (including not returning the Plan premium) or apply different terms of cover in line with the terms We would have applied had the information been presented to Us fairly in the first place. These terms may increase the Plan premium and reduce Your claim(s).
- **8.1.2** You must write and tell **Us** if **You** change **Your** address or occupation.
- 8.1.3 This Plan is available only to people living outside their Country of Nationality apart from certain countries where We have explicitly agreed to cover local nationals, so You must tell Us immediately if You or any family member has gone to live in Your Country of Nationality which means they will be in that country for more than six months in the year. You can pay it in the way You have agreed with Us. We can change the amount of Your premium during a year to reflect any change in insurance premium tax or other taxes but We will tell You of the change. If Your premium payments are not up to date Your Plan will end.
- 8.1.7 The Planholder may cancel this Plan by contacting Us during the 14-day cooling off period. The 14-day cooling off period starts on the day that the contract is concluded or the day that full Plan terms and conditions are received, whichever is the later. The 14-day cooling off period also applies from each Renewal Date.

- **8.2.7** Waiver by **Us** of any breach of any term or condition of this **Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.
- 8.2.8 If You (or anyone acting on Your behalf) make a claim under Your Plan knowing it to be false or fraudulent, (i.e. You make a misrepresentation) We can refuse to make Benefit payments for that claim and may declare the Plan void, as if it never existed. If We have already paid the Benefit We can recover those sums from You. Where We have paid a claim later found to be fraudulent, (whether in whole, or in part), We will be able to recover those sums from You.
- **8.2.9 We** retain all rights of subrogation. **You** have no right to admit liability for any event or give any undertaking, which is binding upon **You**, **Your Dependants** or any other person named in the **Certificate of Insurance** without **Our** prior written consent.
