About US

Our promise to our customers is in our name: 'Now' is clear, innovative and accessible. This means clear, relevant information, easy-to-use online tools and fast service from people who respect your time. Our products are designed to be comprehensive and benefit rich.

Now Health International is a global business with its headquarters in Hong Kong and regional service centres in Hong Kong, Shanghai, Dubai, the United Kingdom, Singapore and Jakarta. In July 2015, Now Health's investor acquired Best Doctors Insurance, a major medical insurance provider with distribution throughout Latin America, the Caribbean and Canada. The combination of the two businesses creates

one of the largest providers of high-end international private medical insurance globally, with 12 sales/service offices, 125,000+ members, 370 staff and 5,000+ distribution partners.

Our innovative service proposition provides you with peace of mind that we will deliver a fast, accurate service when you need it most. Our award winning digital tools such as our smartphone app also make it easy for members to manage their plan while on the move, creating an exceptional customer experience.

Our Insurance Partner

Our insurance partner is Best Doctors Insurance Limited. Best Doctors Insurance Limited is a non-resident Class 3B insurer in Bermuda. To be registered as a Class 3B insurer the minimum premium requirement is USD \$50 million and Best Doctors Insurance Limited continues to comply with the ongoing solvency requirements the Bermuda Monetary Authority (BMA) <https://www.bma.bm> place on us.

Who should buy **this plan?**

Meet **SimpleTech Limited**

A small technology start-up is relocating 5 employees to another country for 12 months to work on a major new project. They are looking for:

- ✓ Protection for their employees for all accidents, hospitalisations and serious medical conditions
- ✓ Medical evacuation and repatriation in case their employees fall ill while working overseas
- ✓ An affordable plans that suits the budget of a start-up business

The company should consider:

- SimpleCare CORE plan which covers their employees for all major health events
- Our default geographical area of cover which covers their employees when they travel within the region, but not worldwide
- They could also select one of our annual deductibles to help lower their premium
- Full Medical Underwriting (FMU) for their plan, as they have only 5 employees and a limited budget

Why this is a good option:

- Full cover for hospital and surgery charges
- Full cover for cancer treatment
- Evacuation and repatriation cover up to USD 100,000/EUR 80,000/GBP 62,500
- Access to our award-winning service and digital tools

Meet **SimpleConsult Limited**

A medium sized management consultancy has 20 junior-level managers on an executive training program. The company is keen to provide this group with a comprehensive employee benefits package to help ensure they retain this young talent. They are looking for:

- ✓ Protection for their employees for all accidents, hospitalisations and serious medical conditions, both at home and abroad
- ✓ Basic cover for day to day medical expenses such as GP visits and physiotherapy
- ✓ A small level of cover for check-ups and screening, to demonstrate their commitment to look after their employee's health and well-being

The company should consider:

- SimpleCare 100 plan which covers their employees for all major health events as well as some out-patient treatment
- One of our out-patient options such as a per visit excess or co-insurance to better manage the company's healthcare costs
- Our Wellness & Vaccinations Option 1 or 2 which provides basic cover for the costs of routine health checks, screening and vaccinations
- Capped Cover for their plan as they would like to offer cover to some employees that have pre-existing medical conditions

Why this is a good option:

- Full cover for hospital and surgery charges
- Full cover for cancer treatment
- Up to USD 1,000/ EUR 800/ GBP 625 per year to access out-patient care, drugs and dressings, physiotherapy and complementary medicine
- Access to our award-winning service and digital tools

Who should buy **this plan?**

Meet **SimpleSystems Inc**

A global manufacturing business is looking for health insurance for 50 of its middle level managers that are located in offices worldwide. They want:

- ✓ Protection for their employees for all accidents, hospitalisations and serious medical conditions
- ✓ A reasonable level of cover for their employee's day to day medical treatment, including dental
- ✓ A basic level of maternity cover for their employees

The company should consider:

- SimpleCare 250 plan which covers their employees for all major health events as well as medium levels of out-patient treatment and some dental cover
- Our Worldwide cover (excluding USA) option, so these employees are covered when they travel across their business globally
- Our Maternity Option 1 which provides basic cover for the costs of pregnancy and childbirth
- If at a later date the company decides to provide higher benefit limits for out-patient and maternity cover, then they could consider switching to one of our more comprehensive WorldCare plans
- Medical History Disregarding underwriting (MHD) for their plan, as they have more than 10 employees and want to be able to offer their staff the most comprehensive solution within their budget

Why this is a good option:

- Full cover for hospital, surgery and cancer treatment
- Up to USD 2,500/EUR 2,000/GBP 1,550 per year per member to access out-patient care, drugs and dressings, physiotherapy and complementary medicine
- 80% cover up to USD 300/EUR 240/GBP 185 per year per member for routine and complex dental treatment
- Up to USD 5,000/EUR 4,000/GBP 3,125 per year per member for normal pregnancy and childbirth
- Access to our award-winning service and digital tools

How to use **your plan?**

We've designed our plans to be simple for your group members to use and for you to manage with our state of the art digital tools.

	Accessing In-Patient Treatment:	If one of your group members needs to be admitted to hospital for day-patient or in-patient treatment, they must contact us first to request treatment pre-authorisation. We will then place a guarantee of payment with the medical provider so they don't need to pay anything.	
	Find a Medical Provider:	Before seeking treatment your group members can use our Find a Medical Provider Tool to find a medical provider. This can be accessed online via:	
		 1) Our website ,	
		 2) Our smartphone ' Now Health' App available for iPhone and Android; or	
		 3) Our secure online portfolio .	
	Accessing Out-Patient Treatment:	If you select a plan that includes out-patient benefit, your group members can go to any medical practitioner of their choice or in our network, pay for their treatment and claim back their expenses online.	
	Make a Claim:	If your group members have paid for out-patient treatment and need to submit a claim for reimbursement, they can do this in one of two ways, either via:	
		 1) Our smartphone App for iPhone and Android; or	
		 2) via their secure online portfolio .	
		They simply need to complete the online form and remember to attach any receipts or diagnostic reports. Your employees will receive a notification to acknowledge receipt of their claim and they can track the status on their secure online portfolio.	
	Manage your information from anywhere:	Our secure online portfolio is designed to make it easy to access all your plan information in just a few clicks. You and your group members can use your secure online portfolio to:	
		Group members:	Group Administrators:
		  Download their virtual membership card and add it to their smartphone wallet	 View and download plan documents, including certificate of insurance
		 Submit and track the status of their claims	 Add and edit members to your group plan
		 Submit requests for treatment pre-authorisation	 Download management information reports

What We Don't Cover
