#### Step 4

When You leave, the medical facility may ask You to sign a confirmation that You have received Treatment.

#### Step 5

If You need to return for further Treatment, You will have to complete the same procedure again.

#### Important notes:

If You receive Treatment that is not Eligible under Your Group Plan through the Out-Patient Direct Billing option, You are liable for the costs incurred and You must refund Us. We may offset valid claims against outstanding funds due to Us or We may suspend Your Benefits until the Planholder or until You have settled the outstanding amounts in full. If We determine that a claim was fraudulent, We may terminate You from the Group Plan with immediate effect without refund of premiums.

## 3.4 Accessing elective Treatment in the USA

If **You** have selected the USA Elective **Treatment** option and need referral to a **Medical Practitioner** or **Hospital** in the USA, please follow the steps below.

If You are referred for Out-Patient diagnostics and surgery, Day-Patient or In-Patient Treatment in the USA, You must contact Us as soon as You can. We will confirm that the facility is an In Network Medical Provider and will try to arrange to settle the bill directly with the medical provider. If the medical provider You have selected is out of network, We will make arrangements to find an equivalent medical provider that is in network.

#### Step 1

Five working days before **Your Treatment** (or as early as possible), contact **Our** team of Clinical Advisers on T +65 6880 2300 | F +65 6220 6950 | SingaporeService@now-health.com

A Clinical Adviser will verify **Your** entitlement to **Benefits** for the proposed **Treatment** and give **You** details on how to claim.

Tell Us the name of the medical facility, telephone number, fax number, contact name and the name of the Medical Practitioner.

#### Step 2

Choose how **You** would like to claim.

You can complete an online claim form at www.now-health.com. Claim forms are available within Your online secure portfolio area. Alternatively, You can download a claim form to send to Us or use a printed claim form. You can request a form from Our customer service team, or Your intermediary, if You are using one.

Call Us on +65 6880 2300 to request a printed claim form, or if You would like help to access Your online secure portfolio area. Complete all relevant sections of the claim form. Take the claim form with You and ask the medical provider to complete it and fax it to Us.

#### Step 3

When You arrive at the medical provider on the day of Your Treatment, show Your membership card and tell the medical provider that We have arranged Direct Billing through Our agents.

We may also ask You to fill in some extra forms, such as an agreement that the medical provider can release information about You to Us. You can access all forms from Your online secure portfolio area at www.now-health.com.

You will need to pay any Excess on Your Group Plan to the medical provider before You leave.

#### Step 4

When You leave, ask the medical provider to send the original claim form and bill to Us for payment. You can track all subsequent claims activity on Your online secure portfolio area. Log in at www.now-health.com using Your username and password.

#### Important notes:

Please contact Us before You receive any In-Patient Treatment, Day-Patient Treatment or major Out-Patient Treatment. If You don't contact Us before Your admission, We may not be able to arrange to pay the medical provider directly. This might mean that You have to pay a deposit to the Hospital or pay Your bill in full.

If You go to an Out of Network Medical Provider, We will apply a Co-Insurance of 50% to any Eligible Treatment as per Your Benefit Schedule. You will be responsible for the difference, which You will have to pay directly to the Out of Network Medical Provider.

We reserve the right to refuse to cover any medical expenses that You incur in the USA that We have not authorised.

If We pay the medical provider directly for any Treatment that is not Eligible under Your Group Plan, You must refund the equivalent sum to Us.

You will need to pay any Excess on Your Group Plan to the medical provider before You leave.

## 3.5 What must I provide when making a claim?

Please make sure that You complete all the forms We ask You to.

You must send Us all Your claim information within six months of the first day of Treatment (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500/SGD 650, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

## 3.6 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to Your medical records including medical referral letters. If You don't reasonably allow Us access to this important information, We will have to refuse Your claim. This means that We will also recoup any previous payments that We have made for that Medical Condition. There may be instances where We are uncertain about the eligibility of a claim. If this is the case, We may, at Our own cost, ask a Medical Practitioner chosen by Us to review the claim. They may review the medical facts relating to a claim or ask to examine You in connection with the claim. In choosing a relevant Medical Practitioner, We will take into account Your personal circumstances. You must co-operate with any Medical Practitioner chosen by Us or We will not pay Your claim.

## 3.7 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

# 3.8 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

You must tell Us on the claim form if You are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Group Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, You must repay Our outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Benefits** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

## 3.9 If You have an Excess and or Co-Insurance on Your Group Plan

Any **Excess** or **Co-Insurance** is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

An Excess or Co-Insurance is the amount You pay towards the cost of a claim for any Insured Person on Your Group Plan. You can choose the type and level of Excess when You buy or renew Your Group Plan. When a claim is made, any Excess is automatically deducted.

The Excess applies per Insured Person, per Medical Condition, per Period of Cover. For example, if the Insured Person claims for In-Patient Treatment for two separate Medical Conditions, an Excess will apply to each Medical Condition rather than a single Excess relating to the In-Patient Treatment. An Excess will always be deducted before any Co-Insurance percentage is applied. Please note that if You have selected the Out-Patient Per Visit Excess, You must pay the first USD 25/SGD 30 of any Eligible Out-Patient claim.

Even if **Out-Patient Direct Billing** has been selected, **You** will still be responsible for any **Co-Insurance** payments under the **Group Plan** and **the Group Plan Excess** will still apply to both **In-Patient** and **Day-Patient Treatment**.

A **Co-Insurance** is a percentage payment made by **You** per **Medical Condition** per **Period of Cover**. For example, if an **Insured Person** claims for **Out-Patient Treatment**, the **Excess** will be deducted first and the **Co-Insurance** will be calculated on the remaining amount.

You need to submit Your claim form and bills, even if the Excess is greater than the Benefits You are claiming, so We can administer Your Group Plan correctly. When You make a claim, We will reduce the amount We pay You until the Excess limit is used up.

### 3.10 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

## 3.11 What currencies can claims be made in?

You have the choice of claims reimbursement in either the currency of Your Group Plan, the currency You incurred Your claim in, or another currency of Your choice. Listed below are the currencies We can transact in. \*Subject to currency local and/or international restrictions & regulations.

## 4. Benefits: What is covered?

All the **Benefits** covered by WorldCare are shown in the **Benefit Schedule** in this section. The **Benefit** limits are per **Insured Person** and either per **Medical Condition** or per **Period of Cover**, with lifetime limits in place for **Terminal** illness.

Please remember that this Group Plan is not intended to cover all eventualities.

In return for payment of the premium, We agree to provide cover as set out in the terms of this Group Plan.

Please refer to the definition of Group Plan in section 1 for details of the documents that make up Your Group Plan.

#### 4.1 Summary of WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury.

WorldCare provides worldwide cover, excluding the USA, unless the USA elective **Treatment** option is selected. A summary of each **Group Plan** option is shown below:

Essential	Cover for <b>In-Patient</b> and <b>Day-Patient Treatment</b> , and the option for a higher <b>Excess</b> to lower <b>Your</b> premiums, if <b>You</b> want to cover high cost/ low frequency major medical events only.
Advance	As with Essential, and limited cover for Out-Patient Treatment.
Excel	As with Advance, and cover for dental and generally higher Group Plan limits
Apex	As with Excel, and cover for dental and maternity, as well as <b>Benefits</b> with higher overall limits.

#### Please note:

If a nil Excess option is selected on Advance, Excel and Apex Group Plan options, or either the Out-Patient Per Visit Excess or the Out-Patient Direct Billing option is selected, the Insured Person will benefit from Out-Patient Direct Billing within Our Out-Patient Direct Billing Provider Network for Out-Patient charges. If Your membership card has "Out-Patient Direct Billing" clearly marked, the medical facility will not ask You to settle the charges. They will do this directly with Us. If You have selected the Out-Patient Per Visit Excess, You must pay the first USD 25/SGD 30 of any Eligible Out-Patient claim.

The above is a summary of just some of the **Group Plan Benefits**. For full details of the **Benefits** and exclusions, it is important that **You** read this handbook in full. For the full **Benefit Schedule**, please go to section 4.3.

### 4.2 Pre-Authorisation

When You should contact us before Treatment starts.

Your Group Plan with Us will only cover Reasonable and Customary Charges for Treatment that is Medically Necessary. It is important that You contact Us before Treatment for Us to confirm if such Treatment is Eligible under Your Group Plan.

Pre-Authorisation is therefore required before undertaking Treatment and incurring charges. The Benefit Schedule details those Benefits requiring Pre-Authorisation by showing "Pre-Authorisation 22".

You should contact Our team of Clinical Advisers on on +65 6880 2300 | Fax +65 6220 6950.

**Pre-Authorisation** means all costs under this **Benefit** require **Pre-Authorisation** from **Us**, which may or may not be included in **Your Group Plan**.

Pre-Authorisation is required for the following:

- All In-Patient Treatment
- All pre-planned Day-Patient Treatment
- All pre-planned surgery
- Diagnostic Procedures positron emission tomography (PET) scans
- In-Patient Psychiatric Treatment
- Evacuation and Repatriation
- Mortal Remains
- Physiotherapy for the Advance, Excel and Apex Group Plan options after every 10 sessions
- Nursing Care at home
- AIDS
- USA elective Treatment

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**. By **Reasonable and Customary Charges We** mean the standard fee that would be typically made in respect of **Your Treatment** costs, in the country **You** received **Treatment**.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible. Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

### 4.3 Now Health International: WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury. The **Benefit Schedule** below details the cover provided by each **Group Plan**. This is additional information that should be read in conjunction with this complete handbook.

Benefits aim to cover short term Treatment of acute episodes of Chronic Conditions, to return You to the state of health You were in immediately before suffering the episode, or which leads to a full recovery. If this is not possible and maintenance therapy of a Chronic Condition, such as but not limited to asthma, diabetes, and hypertension, is required, such cover will be provided by Benefit 1 – Chronic Conditions, and the Group Plan limit per Insured Person, per Period of Cover will apply. If You are unsure of Your particular circumstances, please contact Our Customer Services team before incurring any Treatment costs. Some cover states "Full Refund" and this means that Eligible claims are covered up to the annual maximum Group Plan limit, after any deduction of any Excess or Co-Insurance or similar condition, if Reasonable and Customary Charges for Medically Necessary Treatment are incurred.

Where there is a break in cover, for whatever reason, **We** reserve the right to reapply exclusion 5.24 in respect of pre-existing medical conditions.
