Section 4: Important notes

Data Protection

Please ensure that **You** show the following information to others covered under **Your Plan** or make them aware of its contents.

We and the Underwriters will deal with all personal information supplied in the strictest confidence as required by the Personal Data Protection Act. **We** and **Your** underwriters collect personal information about **You** and **Your Dependents** (including health, bank account and occupation) for the purpose of establishing and administering **Your Plan**. This includes information supplied by **You**, those family members, medical providers or **Your** employer (if applicable). **Your** information may be passed to Now Health group companies administering **Your Plan**, Underwriters, Insurers, Reinsurers, Medical Practitioners, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside **Your** country of residence. Confidentiality is required of any third parties to whom the administration of **Your Plan** may be subcontracted, including those based outside the country of **Your** residency. In certain circumstances, medical service providers (or others) may be asked to supply further information. **Your** personal details will not be disclosed to other organizations without **Your** consent.

You have a right of access to, and correction of, information that we hold about **You**. Please contact Us if **You** would like to exercise either of these rights. Some of the information **We** collect about **You** may be classified as "sensitive" – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain **Your** explicit consent before **We** process the information. When **You** provide information about family members, **We** will take this as confirmation that **You** have their consent to do so. As the legal holder of the **Plan** all correspondence about the plan, including claims correspondence, will be sent to the **Planholder**. If any family member over 18 insured under the **Plan** does not want this to happen they should apply for their own **Plan**.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the General Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a Medical Practitioner's fitness to practice may be impaired.

Please contact our Customer Services team or write to us at the address on the back of this form if **You** wish Now Health International group companies to contact **You** via letter, SMS or email with details of other IPMI or related product and services. A list of Now Health group companies, their contact details and **Our** Data Privacy Policy is available at www.now-health.com/privacy.

Your health claims information may be shared by Now Health International Group companies to other Insurance Companies or Reinsurance Companies for the purposes of risk management, contract negotiations, research, development and analysis, as well as, to promote other products that may be of interest to **You**.

Sanctions Limitation and Exclusion

We will not provide cover nor pay claims under this **Plan** if **Our** obligations (or the obligations of **Our** group companies & administrators) under the laws of any relevant jurisdiction including UAE, UK, European Union, the United States of America, United Nations resolutions, trade or economic sanctions or international laws sanctions, prevents or restricts **Us** from doing so.

We will not provide You with any services or benefits including but not limited to acceptance of premium payments, claim payments and other reimbursements if in doing so, **We** violate applicable law, regulation, code or court order or are or will be otherwise sanctioned, prevented or restricted.

We may terminate Your Plan if **We** consider **You** or **Your** directors or officers as sanctioned persons, or **You** conduct an activity which is sanctioned, according to trade or economic laws & regulations.

Section 5: Declaration and authorisation

It may be necessary to obtain a medical report from **Your** usual Doctor/**Medical Practitioner** for this claim. If **We** need to do this, **You** have the following rights:

1. **You** can refuse to give **Your** consent – but if **You** do **We** may be unable to deal with **Your** claim.
2. **You** can ask to see the report before it is sent to us. If **You** give **Your** consent, **We** will be able to contact **Your** Doctor direct for a report.
If **You** wish to see it, delete the word "NOT" in the declaration and we will inform the Doctor accordingly. Then the doctor will not send it to **Us** until:
 - (i) **You** have seen the report and approved it; or
 - (ii) 21 days have passed since **We** requested the report and the Doctor has not heard from **You**.

Important note: The sooner We receive the report, the sooner We can deal with Your claim.

3. Having seen the report, **You** can refuse **Your** consent – again this may affect **Our** ability to deal with **Your** claim.
2. **You** may ask the Doctor to change the report if **You** disagree with it. If (s)he refuses, **You** can require him/her to attach a statement of **Your** views to the report.
5. **You** may also ask the Doctor to let you see all reports supplied to **Us** within the last six months.

Important note: Your Doctor is entitled to charge You for supplying You with a copy of the report (to cover cost). This is not covered by Your Plan.

Your Doctor may refuse to let **You** see **Your** report if (s)he feels it will do serious harm to **Your** physical or mental health, or it will indicate the Doctor's intentions in respect of **You**, or it may reveal the identity of another person who has supplied information about **You** who is not a health professional but is involved in **Your** care. In such cases **You** will be entitled to see the remainder of the report. If this affects the entire report, **Your** Doctor must obtain **Your** consent before (s)he sends it to **Us**.

Important note: We regard the rights above as best practice but the legal requirements may differ in the country in which You reside. Please contact Us for additional information regarding regulations in Your jurisdiction.
