## 3.2 Arranging Direct Settlement

### 3.2.1 For In-Patient and Day-Patient Treatment

If **You** are referred for **In-Patient** or **Day-Patient Treatment**, **You** must get all **In-Patient** and **Day-Patient Treatment** pre-authorised by **Us** in advance. Failure to do so means **You** may incur a proportion of the medical costs.

#### Step 1

Two working days before **You** are admitted (or whenever possible), contact **Our** customer service team at [ClinicalService@now-health.com](mailto:ClinicalService@now-health.com)

Tell **Us** the **Hospital** name, telephone number, the contact name at the **Hospital** and the name of the **Medical Practitioner**.

#### Step 2

**Your Medical Practitioner** should complete a **Pre-authorisation** Request Form. **You** can download this form from the 'How to claim' page of the website or from the secure online portfolio area.

Once **Your Medical Practitioner** has completed the form, they can return it to **Us** directly or **You** can do so using one of the methods on the form or using the secure online portfolio area in the My Claims page.

**We** will contact **You** once the arrangements have been made.

#### Step 3

When **You** arrive at the medical provider on the day of **Your Treatment**, show **Your** membership card and tell them that **Direct Billing** has been arranged.

**We** may also ask **You** to fill in some extra forms, such as a release of medical information by the medical provider. **You** can access all the forms **You** need from **Your** secure online portfolio area at [www.now-health.com](http://www.now-health.com).

#### Step 4

When **You** leave, ask the medical provider to send the original claim form and bill to **Us** for payment. **You** can track all subsequent claims activity in **Your** secure online portfolio area. Log in using **Your** username and password at [www.now-health.com](http://www.now-health.com).

If **You** need repeat **In-Patient** or **Day-Patient Treatment**, **We** need a new claim form for each stay, even if it's for the same **Medical Condition**.

## 3.2 Arranging Direct Settlement

### 3.2.2 Out-Patient Treatment within the SimpleCare UAE Network

**Your Eligible Out-Patient Treatment** is subject to **Your** default **Co-Insurance** or any selected **Co-Insurance Out-Patient Treatment** option.

#### Step 1

To find an **Out-Patient Direct Billing** facility within the **SimpleCare UAE Network**, log in to **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com) or use the mobile app. Here **You** can locate an appropriate medical facility within the **Out-Patient Direct Billing** Network.

#### Step 3

The medical facility will check the applicable **Out-Patient Co-Insurance** before arranging for **You** to see a doctor.

If **Your** cover is not **Eligible**, they will still arrange for **You** to see a doctor but will ask **You** to pay for the **Treatment**.

#### Step 4

When **You** leave, the medical facility may ask **You** to sign a confirmation that **You** have received **Treatment**.

#### Step 5

If **You** need to return for further **Treatment**, **You** will have to complete the same procedure again.

#### Important notes:

If **You** receive **Treatment** that is not **Eligible** under **Your Plan** through the SimpleCare provider network, **You** are liable for the costs incurred and **You** must refund **Us** or **We** may suspend **Your Benefits** until the **Planholder** or **You** have settled the outstanding amounts in full. If **We** determine that a claim was fraudulent, **We** may terminate **You** from the **Plan** with immediate effect without refund of premiums.

**You** have to pay and claim for Dubai Health Authority (DHA) Mandatory requirements maternity **Benefit**.

### 3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

By contacting **Our Emergency** assistance service **You** will give **Us** the opportunity to arrange to settle **Your Hospital** bills directly where possible. It will also ensure that **Your** claim can be processed without any delays.

#### Step 1

Contact **Our Emergency** assistance service on +971 (0) 4450 1456 or email [ClinicalService@now-health.com](mailto:ClinicalService@now-health.com). This service is available 24 hours a day, 365 days a year.

They will need **Your** name and membership number as well as the **Hospital** name, telephone number and a contact name at the **Hospital** and the name of the **Medical Practitioner**.

#### Step 2

**Our Emergency** assistance service will verify whether the **Medical Condition** **You** are claiming for is **Eligible** under **Your Plan**.

#### Step 3

If **Your** claim is **Eligible**, **Our Emergency** assistance service staff will consider **Your Emergency** admission or **Your** request for **Evacuation** in relation to **Your** medical needs.

#### Step 4

If **Our Emergency** assistance service agrees that **Your Medical Condition** meets all of the following:

- is life-threatening
- is covered by **Your Plan**
- cannot be treated adequately locally, and
- requires immediate **In-Patient Treatment**

They will make all the necessary arrangements to have **You** moved by air and/or surface transportation to the nearest **Hospital** where appropriate medical **Treatment** is available.

**Our Emergency** assistance service will also ensure that any **Eligible** costs at the destination, such as admission costs, are settled directly with the **Hospital**.

#### Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

#### Important notes:

**We** will only pay for **Evacuation** costs that have been authorised and arranged by **Our Emergency** assistance service.

**We** will not pay for **Your Evacuation** costs if the **Evacuation** is directly or indirectly related to a **Medical Condition** which has been specifically excluded on **Your Certificate of Insurance**, or to any other **Medical Condition** or event specifically excluded in **Your Group Plan**.

### 3.4 What must I provide when making a claim?

Please make sure that **You** complete all the forms **We** ask **You** to.

**You** must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

### 3.5 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

**We** may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**.

There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

### 3.6 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

### 3.7 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

**You** must tell **Us** on the claim form if **You** are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, **You** must repay **Our** outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Plan** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

### 3.8 You have a Co-Insurance on Your Group Plan

Any **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Plan**.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover**. For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100, then the **Insured Person** will have to pay USD 20 and **We** will pay USD 80 towards this claim.

**You** need to submit **Your** claim form and bills, so **We** can administer **Your Plan** correctly.

### 3.9 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will endeavour to convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

### 3.10 What currencies can claims be made in?

**You** have the choice of claims reimbursement in either the currency of **Your Group Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice, subject to local currency and/or international restrictions/regulations and our partners bank's transacting capabilities.

For planned **Treatment**, **You** must contact **Our** customer service team on T +971 (0) 4450 1415 or email [ClinicalService@now-health.com](mailto:ClinicalService@now-health.com), at least 2 working days before **Treatment** starts.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service on +971 (0) 4450 1456 or email [ClinicalService@now-health.com](mailto:ClinicalService@now-health.com) as soon as possible and prior to discharge.

**Your Plan** with **Us** will only cover **Reasonable and Customary Charges** for **Treatment** that is **Medically Necessary**. It is important that **You** contact **Us** before **Treatment** for **Us** to confirm if such **Treatment** is **Eligible** under **Your Plan**.

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**.

Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

Payments can be paid by credit card, bank transfers or cheques. Credit card and bank transfers can be used for annual premiums only. Premiums are payable for each person covered and any increase will normally take effect from the annual **Renewal Date** of **Your** membership.

If **You** pay by credit card, bank transfer or cheque, **We** will collect the first premium when **Your Plan** starts and subsequent premiums when they fall due. **You** must pay **Your** premium when it is due. - the baby was born within 10 months from **Your Start Date** or **Your** spouse's **Start Date**, whichever date is later; or
- the baby has been adopted; or
- the baby was born as the result of any method of assisted conception or following any type of fertility **Treatment**, including but not limited to fertility drug **Treatment**.

In such circumstances **We** reserve the right to apply particular restrictions to the cover **We** will offer, and **We** will notify **You** of those terms as soon as reasonably possible. This may limit **Your** baby's cover for existing **Medical Conditions**. This would mean that **Your** baby will not be covered for **Treatment** carried out for **Medical Conditions** which existed prior to joining, such as **Treatment** in a Special Care Baby Unit and **You** will be liable for these costs.

## 6.6 Changing Your cover

Subsequent changes in cover can only be made at renewal.

## 6.7 Renewing Your cover

**Your Plan** is for one year, the **Period of Cover**. Prior to the end of any **Period of Cover** **We** will write to the **Planholder** to advise on what terms the **Plan** will continue, provided the **Plan You** are on is still available. If **We** do not hear from the **Planholder** in response, **We** will renew **Your Plan** on the new terms. Where **You** have opted to pay premiums by continuous credit card payments or other payment method, **We** may continue to collect premiums by such method for the new **Plan** year. Please note that if **We** do not receive **Your** premium, **You** will not be covered. If the **Plan You** were on is no longer available, **We** will do **Our** best to offer **You** cover on an alternative **Plan**.

## 6.8 Local taxes

**You** are liable for any local taxes and charges as established by the applicable laws. These have to be paid in full by **You** and will be shown on **Your Certificate of Insurance**.

## 8. Rights and responsibilities

---

The application form, **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Plan** terms and conditions make up the contract between **You** and **Us** with the purpose of providing **You** with **Benefit** when **You** need medical **Treatment**.

### 8.1 Your rights and responsibilities

- 8.1.1** **You** must make sure that whenever **You** are required to give **Us** any information, all the information **You** give **Us** is sufficiently true, accurate and complete so as to give **Us** a fair presentation of the risk **We** are taking on (these are **Your** representations to **Us**). If **We** discover later it is not and that **Your** representations were deliberate, reckless or careless, then **We** may void the **Plan** (including not returning the **Plan** premium) or apply different terms of cover in line with the terms **We** would have applied had the information been presented to **Us** fairly in the first place. These terms may increase the **Plan** premium and reduce **Your** claim(s).
- 8.1.2** **You** must write and tell **Us** if **You** change **Your** address or occupation.
- 8.1.3** This **Plan** is available only to people living outside their **Country of Nationality** apart from certain countries where **We** have explicitly agreed to cover local nationals, so **You** must tell **Us** immediately if **You** or any family member has gone to live in **Your Country of Nationality** – which means they will be in that country for more than six months in the year. **You** must tell **Us** if **You** change **Your** principal **Country of Residence**. If **You** don't tell **Us** **We** can refuse to pay **Benefits** claimed for.
- 8.1.4** Only **We** and the **Planholder** have legal rights under this **Plan** and it is not intended that any clause or term of this **Plan** should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person including any family member.
- 8.1.5** If the **Planholder** dies and there is more than one **Insured Person** aged 18 or above, this **Plan** will automatically be transferred to the oldest **Insured Person** from the date of death, who will become the **Planholder**.
- 8.1.6** **You** must pay **Your** premium when it is due and in the currency of **Your Plan**. **We** will decide the amount at the start of each year and tell **You** how much it is. **You** can pay it in the way **You** have agreed with **Us**. **We** can change the amount of **Your** premium during a year to reflect any change in insurance premium tax or other taxes but **We** will tell **You** of the change. If **Your** premium payments are not up to date **Your Plan** will end.
- 8.1.7** The **Planholder** may cancel this **Plan** by contacting **Us** during the 14-day cooling off period. The 14-day cooling off period starts on the day that the contract is concluded or the day that full **Plan** terms and conditions are received, whichever is the later. The 14-day cooling off period also applies from each **Renewal Date**.
- If the **Plan** is cancelled during the 14-day cooling off period **We** will return any premium paid for the **Plan** providing no claims have been made on the **Plan** and the **Out-Patient Direct Billing** membership card has been returned, in relation to the **Period of Cover** before cancellation (being no more than 14 days' cover). If **You** incur **Eligible** claims costs within that **Period of Cover** **We** reserve the right to require the **Planholder** to pay for the services **We** have actually provided in connection with the **Plan** to the extent permitted by law and any return of premium is subject to this. If the **Planholder** does not cancel the **Plan** during the cancellation period the **Plan** will continue on the terms described in this handbook for the remainder of the **Period of Cover**.
- We** may void the **Plan** for **You** (as the **Insured Person**) and **Your Dependants** in the following situations. If **You** or **Your Dependants**:
- Make a misrepresentation by withholding relevant information or giving **Us** incorrect information
  - Make a misrepresentation by making a false or fraudulent claim
  - Fail to provide any reasonable information **We** have asked for
  - Fail to pay the premiums due
  - If **You** move to the USA, or a country not covered by this **Plan** which may vary from time to time, of which **You** will be advised

**8.1.8** If **You** have an **Out-Patient Direct Billing** membership card, it is **Your** responsibility to return all such cards for **You** and **Your Dependants** to **Us** if **You** cancel, or do not renew **Your Plan** or **Your** premium payments are not up to date. **We** will not be liable for any misuse by **You** of such **Out-Patient Direct Billing** membership cards, if **We** have already paid the **Benefit We** can recover those sums from **You**.

**8.1.9** This **Plan** shall be governed by and construed in accordance with the Laws of the UAE and the parties agree to submit to the jurisdiction of the UAE courts.

**8.1.10** Please ensure that **You** show the following information to others covered under **Your Plan** or make them aware of its contents.

**We** and the Underwriters will deal with all personal information supplied in the strictest confidence as required by the Personal Data Protection Act. **We** and **Your** underwriters collect personal information about **You** and **Your Dependants** (including health, bank account and occupation) for the purpose of establishing and administering **Your Plan**. This includes information supplied by **You**, those family members, medical providers or **Your** employer (if applicable). **Your** information may be passed to Now Health group companies administering **Your Plan**, Underwriters, Insurers, Reinsurers, **Medical Practitioners**, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside **Your** country of residence. Confidentiality is required of any third parties to whom the administration of **Your Plan** may be subcontracted, including those based outside the country of **Your** residency. In certain circumstances, medical service providers (or others) may be asked to supply further information. **Your** personal details will not be disclosed to other organizations without **Your** consent.

**You** have a right of access to, and correction of, information that we hold about **You**. Please contact **Us** if **You** would like to exercise either of these rights. Some of the information **We** collect about **You** may be classified as "sensitive" – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain **Your** explicit consent before **We** process the information. When **You** provide information about family members, **We** will take this as confirmation that **You** have their consent to do so. As the legal holder of the **Plan** all correspondence about the plan, including claims correspondence, will be sent to the **Planholder**. If any family member over 18 insured under the **Plan** does not want this to happen they should apply for their own **Plan**.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the General Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a **Medical Practitioner's** fitness to practice may be impaired.

Please contact **Our** Customer Services team or write to **Us** at the address on the back of this handbook if **You** wish Now Health International group companies to contact **You** via letter, SMS or email with details of other IPMI or related product and services. A list of Now Health group companies, their contact details and **Our** Data Privacy Policy is available at [www.now-health.com/privacy](http://www.now-health.com/privacy)

**Your** health claims information may be shared by Now Health International Group companies to other Insurance Companies or Reinsurance Companies for the purposes of risk management, contract negotiations, research, development and analysis, as well as, to promote other products that may be of interest to **You**.

## 8.2 Our rights and responsibilities

**8.2.1** **We** will tell the **Planholder** in writing the date the **Plan** starts and any special terms which apply to it. **We** can refuse to give cover and will tell **You** if **We** do.

- 
- 8.2.2** If for whatever reason there is a break in **Your** cover, **We** may reinstate the cover if the premium is subsequently paid, though terms of cover may be subject to variation. Any acceptance by **Us** is subject to **Our** written consent and **Your** acceptance.
- 8.2.3** **We** can refuse to add a family member to the **Plan** and **We** will tell the **Planholder** if **We** do.
- 8.2.4** **We** will pay for **Eligible** costs incurred during a period for which the premium has been paid.
- 8.2.5** If **You** break any of the terms of the **Plan** which **We** reasonably consider to be fundamental, **We** may (subject to 8.2.8) do one or more of the following:
- Refuse to make any **Benefit** payment or, if **We** have already paid **Benefits**, **We** can recover from **You** any loss to **Us** caused by the break
  - Refuse to renew **Your Plan**
  - Impose different terms to any cover **We** are prepared to provide
  - End **Your Plan** and all cover under it immediately
- 8.2.6** **Break in cover**
- Where there is a break in cover, for whatever reason, **We** reserve the right to reapply exclusion 5.27 in respect of pre-existing **Medical Conditions**.
- 8.2.7** Waiver by **Us** of any breach of any term or condition of this **Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.
- 8.2.8** If **You** (or anyone acting on **Your** behalf) make a claim under **Your Plan** knowing it to be false or fraudulent, (i.e. **You** make a misrepresentation) **We** can refuse to make **Benefit** payments for that claim and may declare the **Plan** void, as if it never existed. If **We** have already paid the **Benefit** **We** can recover those sums from **You**. Where **We** have paid a claim later found to be fraudulent, (whether in whole, or in part), **We** will be able to recover those sums from **You**.
- 8.2.9** **We** retain all rights of subrogation. **You** have no right to admit liability for any event or give any undertaking, which is binding upon **You**, **Your Dependants** or any other person named in the **Certificate of Insurance** without **Our** prior written consent.
- 8.2.10** **We** may alter the handbook terms or **Benefit Schedule** from time to time, but no alteration shall take effect until the next annual **Renewal Date**. **We** shall notify such changes to **You** in writing by sending the details to the primary contact details **We** have for **You**. **We** reserve the right to revise or discontinue the **Plan** with effect from any **Renewal Date**. No variation or alteration will be admitted unless it is in writing and signed on behalf of **Us** by an authorised employee.
- 8.2.11** **We will not provide cover nor pay claims** under this **Plan** if **Our** obligations (or the obligations of **Our** group companies & administrators) under the laws of any relevant jurisdiction including UAE, UK, European Union, the United States of America, United Nations resolutions, trade or economic sanctions or international laws sanctions, prevents or restricts **Us** from doing so.
- We will not provide You with any services or Benefits** including but not limited to acceptance of premium payments, claim payments and other reimbursements if in doing so, **We** violate applicable law, regulation, code or court order or are or will be otherwise sanctioned, prevented or restricted.
- We may terminate Your Plan** if **We** consider **You** or **Your** directors or officers as sanctioned persons, or **You** conduct an activity which is sanctioned, according to trade or economic laws & regulations.
- 8.2.12** This **Plan** is written in English and all other information and communications to **You** relating to this **Plan** will also be in English unless **We** have agreed otherwise in writing.
