**Out-Patient Direct Billing** is not available if **You** have chosen the **WorldCare Essential Plan** with the **Out-Patient Charges** option.

#### Step 1

To find an **Out-Patient Direct Billing** facility, log in to **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com) or use the mobile app. Here **You** can locate an appropriate medical facility within the **Out-Patient Direct Billing** Network.

If **You** can't find an **Out-Patient Direct Billing** facility near **You**, **Our** customer service team will be happy to help.

**You** can contact them on T +65 6880 2300 | F +65 6220 6950 | [SingaporeService@now-health.com](mailto:SingaporeService@now-health.com)

#### Step 2

When **You** arrive at the medical facility, please show **Your** Now Health membership card. Please also take a form of identification such as an ID card or passport. The medical facility may ask **You** to complete and sign an authorisation form or disclaimer.

#### Step 3

The medical facility will check **Out-Patient Per Visit Excess** and any **Co-Insurance** before arranging for **You** to see a doctor.

If **Your** cover is not **Eligible**, they will still arrange for **You** to see a doctor but will ask **You** to pay for the **Treatment**.

#### Step 4

When **You** leave, the medical facility may ask **You** to sign a confirmation that **You** have received **Treatment**.

#### Step 5

If **You** need to return for further **Treatment**, **You** will have to complete the same procedure again.

#### Important notes:

If **You** receive **Treatment** that is not **Eligible** under **Your Group Plan** through the **Now Health International Provider Network**, **You** are liable for the costs incurred and **You** must refund **Us** or **We** may suspend **Your Benefits** until the **Planholder** or **You** have settled the outstanding amounts in full. If **We** determine that a claim was fraudulent, **We** may terminate **You** from the **Group Plan** with immediate effect without refund of premiums.

If **You** receive **Eligible Treatment** within the **Now Health International Provider Network** but pay and claim for the **Treatment** received, the standard **Out-Patient Per Visit Excess** or **Co-Insurance** will apply.

**Out-Patient Direct Billing** is not available for dental, maternity and wellness, optical and **Vaccinations Benefits** unless it is specified on **Your** Membership Card.

### 3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

By contacting **Our Emergency** assistance service **You** will give **Us** the opportunity to arrange to settle **Your Hospital** bills directly where possible. It will also ensure that **Your** claim can be processed without any delays.

#### Step 1

Contact **Our Emergency** assistance service on +65 6880 2304 or email SingaporeService@now-health.com. This service is available 24 hours a day, 365 days a year.

They will need **Your** name and membership number as well as the **Hospital** name, telephone number and fax number, a contact name at the **Hospital** and the name of the **Medical Practitioner**.

#### Step 2

**Our Emergency** assistance service will verify whether the **Medical Condition** **You** are claiming for is **Eligible** under **Your Group Plan**.

#### Step 3

If **Your** claim is **Eligible**, **Our Emergency** assistance service staff will consider **Your Emergency** admission or **Your** request for **Evacuation** in relation to **Your** medical needs.

#### Step 4

If **Our Emergency** assistance service agrees that **Your Medical Condition** meets all of the following:

- is life-threatening
- is covered by **Your Group Plan**
- cannot be treated adequately locally, and
- requires immediate **In-Patient Treatment**

They will make all the necessary arrangements to have **You** moved by air and/or surface transportation to the nearest **Hospital** where appropriate medical **Treatment** is available.

**Our** assistance service will also ensure that any **Eligible** costs at the destination, such as admission costs, are settled directly with the **Hospital**.

#### Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

#### Important notes:

**We** will only pay for **Evacuation** costs that have been authorised and arranged by **Our Emergency** assistance service.

**We** will not pay for **Your Evacuation** costs if the **Evacuation** is directly or indirectly related to a **Medical Condition** which has been specifically excluded on **Your Certificate of Insurance**, or to any other **Medical Condition** or event specifically excluded in **Your Group Plan**.

### 3.4 Accessing elective Treatment in the USA

If **You** have selected the USA Elective **Treatment** option and need referral to a **Medical Practitioner** or **Hospital** in the USA, please follow the steps below.

If **You** are referred for **Out-Patient** diagnostics and surgery, **Day-Patient** or **In-Patient Treatment** in the USA, **You** must contact **Us** as soon as **You** can. **We** will confirm that the facility is an **In Network Medical Provider** and will try to arrange to settle the bill directly with the medical provider. If the medical provider **You** have selected is out of network, **We** will make arrangements to find an equivalent medical provider that is in network.

#### Step 1

Five working days before **Your Treatment** (or as early as possible), contact **Our** customer service team on  
T +65 6880 2300 | F +65 6220 6950 | SingaporeService@now-health.com

A Clinical Adviser will verify **Your** entitlement to **Benefits** for the proposed **Treatment** and give **You** details on how to claim.

Tell **Us** the name of the medical facility, telephone number, fax number, contact name and the name of the **Medical Practitioner**.

#### Step 2

**Your Medical Practitioner** should complete a **Pre-authorisation** Request Form. **You** can download this form from the 'How to claim' page of the website or from the secure online portfolio area.

Once **Your Medical Practitioner** has completed the form, they can return it to **Us** directly or **You** can do so using one of the methods on the form or using the secure online portfolio area in the My Claims page.

**We** will contact **You** once the arrangements have been made.

#### Step 3

When **You** arrive at the medical provider on the day of **Your Treatment**, show **Your** membership card and tell the medical provider that **We** have arranged **Direct Billing** through **Our** agents.

**We** may also ask **You** to fill in some extra forms, such as an agreement that the medical provider can release information about **You** to **Us**. **You** can access all forms from **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com).

**You** will need to pay any **Deductible**, **Co-Insurance** or **Out-Patient Per Visit Excess** on **Your Group Plan** to the medical provider before **You** leave.

#### Step 4

When **You** leave, ask the medical provider to send the original claim form and bill to **Us** for payment. **You** can track all subsequent claims activity on **Your** online secure portfolio area. Log in at [www.now-health.com](http://www.now-health.com) using **Your** username and password.

#### Important notes:

Please contact **Us** before **You** receive any **In-Patient Treatment**, **Day-Patient Treatment** or major **Out-Patient Treatment**.

If **You** don't contact **Us** before **Your** admission, **We** may not be able to arrange to pay the medical provider directly. This might mean that **You** have to pay a deposit to the **Hospital** or pay **Your** bill in full.

If **You** go to an **Out of Network Medical Provider**, **We** will apply a **Co-Insurance** of 50% to any **Eligible Treatment** as per **Your Benefit Schedule**. **You** will be responsible for the difference, which **You** will have to pay directly to the **Out of Network Medical Provider**.

**We** reserve the right to refuse to cover any medical expenses that **You** incur in the USA that **We** have not authorised.

If **We** pay the medical provider directly for any **Treatment** that is not **Eligible** under **Your Group Plan**, **You** must refund the equivalent sum to **Us**.

**You** will need to pay any **Deductible**, **Co-Insurance** or **Out-Patient Per Visit Excess** on **Your Group Plan** to the medical provider before **You** leave.

### 3.5 What must I provide when making a claim?

Please make sure that **You** complete all the forms **We** ask **You** to.

**You** must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500/SGD 650, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

### 3.6 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

**We** may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**. There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or ask to examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

### 3.7 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

### 3.8 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

**You** must tell **Us** on the claim form if **You** are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Group Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, **You** must repay **Our** outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Benefits** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

### 3.9 You have a Deductible, an Out-Patient Per Visit Excess and/or Co-Insurance on Your Group Plan

Any **Deductible**, **Out-Patient Per Visit Excess** or **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Deductible**, an **Out-Patient Per Visit Excess** or **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Group Plan**.

When a claim is made, any **Deductible** is automatically deducted from the amount **We** pay in relation to **Eligible In-Patient** or **Day-Patient Treatment** first.

The **Deductible** applies per **Insured Person**, per **Period of Cover**. For example, if an **Insured Person** claims more than once for **In-Patient Treatment** during one **Period of Cover**, the **Deductible** will only apply to the first **Eligible In-Patient** claim if the full **Deductible** amount has already been fulfilled on the first claim. If the **Deductible** has not been fulfilled after the first claim, the **Deductible** balance will be taken from the second claim before any **Eligible** claim amount is paid.

The **Out-Patient Per Visit Excess** applies per **Insured Person**, per **Out-Patient** consultation in relation to **Eligible Out-Patient Treatment**. For example, if an **Insured Person** has more than one visit in relation to **Out-Patient** consultations for a single or multiple **Medical Condition** (s), then the **Out-Patient Per Visit Excess** will be applied to each consultation.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover**. For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100/SGD 130, then the **Insured Person** will have to pay USD 20/SGD 26 and **We** will pay USD 80/SGD 104 towards this claim.

**You** need to submit **Your** claim form and bills, even if the **Deductible** or **Out-Patient Per Visit Excess** is greater than the **Benefits You** are claiming so **We** can administer **Your Group Plan** correctly. When **You** make a claim, **We** will reduce the amount **We** pay **You** until the **Deductible** or **Out-Patient Per Visit Excess** limit is used up.

### 3.10 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

### 3.11 What currencies can claims be made in?

**You** have the choice of claims reimbursement in either the currency of **Your Group Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice. Listed below are the currencies **We** can transact in.

## Product Information

### 4. Benefits: What is covered?

All the **Benefits** covered by WorldCare are shown in the **Benefit Schedule** in this section. The **Benefit** limits are per **Insured Person** and either per **Medical Condition** or per **Period of Cover**, with lifetime limits in place for **Terminal** illness.

Please remember that this **Group Plan** is not intended to cover all eventualities.

In return for payment of the premium, **We** agree to provide cover as set out in the terms of this **Group Plan**.

Please refer to the definition of **Group Plan** in section 1 for details of the documents that make up **Your Group Plan**.

#### 4.1 Summary of WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury.

WorldCare provides worldwide cover, excluding the USA, unless the USA elective **Treatment** option is selected. A summary of each **Group Plan** option is shown below:

<b>Essential</b>	Cover for <b>In-Patient</b> and <b>Day-Patient Treatment</b> , and the option for a <b>Deductible</b> to lower <b>Your</b> premiums, if <b>You</b> want to cover high cost/low frequency major medical events only.
<b>Advance</b>	As with Essential, and limited cover for <b>Out-Patient Treatment</b> .
<b>Excel</b>	As with Advance, and cover for dental and generally higher <b>Group Plan</b> limits.
<b>Apex</b>	As with Excel, and cover for dental and maternity, as well as <b>Benefits</b> with higher overall limits.

The above is a summary of just some of the **Group Plan Benefits**. For full details of the **Benefits** and exclusions, it is important that **You** read this handbook in full. For the full **Benefit Schedule**, please go to section 4.3.

#### 4.2 Pre-Authorisation

When **You** should contact us before **Treatment** starts.

**Your Group Plan** with **Us** will only cover **Reasonable and Customary Charges** for **Treatment** that is **Medically Necessary**. It is important that **You** contact **Us** before **Treatment** for **Us** to confirm if such **Treatment** is **Eligible** under **Your Group Plan**.

**Pre-Authorisation** is therefore required before undertaking **Treatment** and incurring charges.

The **Benefit Schedule** details those **Benefits** requiring **Pre-Authorisation** by showing “**Pre-Authorisation** 📞”.

**You** should contact **Our** customer service team on +65 6880 2300 | Fax +65 6220 6950.

**Pre-Authorisation** means all costs under this **Benefit** require **Pre-Authorisation** from **Us**, which may or may not be included in **Your Group Plan**.

**Pre-Authorisation** is required for the following:

- All **In-Patient Treatment**
- All pre-planned **Day-Patient Treatment**
- All pre-planned surgery
- **Diagnostic Procedures** – positron emission tomography (PET) scans
- **In-Patient Psychiatric Treatment**
- **Evacuation and Repatriation**
- Mortal Remains
- Physiotherapy for the Advance, Excel and Apex **Group Plan** options after every 10 sessions
- Nursing Care at home
- AIDS
- USA elective **Treatment**

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**. By **Reasonable and Customary Charges** **We** mean the standard fee that would be typically made in respect of **Your Treatment**.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible. Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

### 4.3 Now Health International: WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury. The **Benefit Schedule** below details the cover provided by each **Group Plan**. This is additional information that should be read in conjunction with this complete handbook.

**Benefits** aim to cover short term **Treatment** of acute episodes of **Chronic Conditions**, to return **You** to the state of health **You** were in immediately before suffering the episode, or which leads to a full recovery. If this is not possible and maintenance therapy of a **Chronic Condition**, such as but not limited to asthma, diabetes, and hypertension, is required, such cover will be provided by **Benefit 1 – Maintenance of Chronic Medical Conditions**. If **You** are unsure of **Your** particular circumstances, please contact **Our** Customer Services team before incurring any **Treatment** costs. Some cover states “Full Refund” and this means that **Eligible** claims are covered up to the annual maximum **Group Plan** limit, after any deduction of any **Deductible**, **Out-Patient Per Visit Excess** or **Co-Insurance** or similar condition, if **Reasonable and Customary Charges** for **Medically Necessary Treatment** are incurred.

## 6. Group Plan administration

---

### 6.1 The contract

The group agreement between **Us** and **Your** company/employer, the group application form, the group employee application form (if applicable) and any supporting documents, the **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Group Plan** terms and conditions make up the contract between the **Planholder** and **Us**.

### 6.2 Premium payment

In most cases **Your** company/employer is responsible for payment of premiums. At the start of each **Group Plan** year, **We** will calculate **Your** new premium and let the **Plan Administrator** know how much it is. The **Plan Administrator** must pay **Your** premium when it is due. **We** must receive premiums before the **Start Date**, the due date or within 30 days of **Our** written acceptance, if a cover note is issued, subject to Clause 8.2.13 below.

If the **Plan Administrator** does not pay **Your** premium, **We** will cancel **Your Benefits** from the **Start Date** and will not pay for any **Treatment** or **Benefit** entitlement.

### 6.3 Eligibility

#### 6.3.1 Entry Date

Cover starts on the start date shown on **Your Certificate of Insurance** provided **We** have received **Your** premium payment. Depending on the preferred premium payment method, a cover note may be issued and premiums will be due within 30 days of **Our** written acceptance.

#### 6.3.2 Local legislation

Membership may depend on local insurance licensing legislation in **Your Country of Residence**. **You** are obliged to meet local legislation requirements in **Your Country of Residence** at any time before and while **You** are a member of this **Group Plan**.

#### 6.3.3 Non-Eligible Residency

If **You** permanently reside in a country that is not covered by this **Group Plan** and which **We** have advised at **Renewal Date**, **You** are not **Eligible** for this **Group Plan**. For details of the excluded countries please contact **Our** Customer Service team on +65 6880 2300

### 6.4 Adding a new Dependant

Subject to the terms and conditions of **Your Group Plan**, if subsequently **You** wish to add **Your** spouse, partner or child to **Your Group Plan**, the **Plan Administrator** must either use their online secure portfolio area at [www.now-health.com](http://www.now-health.com) or arrange for **You** to complete a new application form, if applicable. Cover will not start until **Your** application has been accepted by **Us** for that **Dependant** and **We** have received premium payment.

### 6.5 Adding New Borns

**You** can apply to add **New Born** babies (who are born to the **Planholder** or the **Planholder's** spouse) to the **Plan** from their date of birth. This can normally be done without filling out details of their medical history, provided **You** add them within 30 days of their date of birth. **You** can do this by applying via **Your** online secure portfolio area at [www.now-health.com](http://www.now-health.com).

However, **We** will require details of the baby's medical history if the baby has been adopted, or was born as the result of any method of assisted conception or following any type of fertility **Treatment**, including but not limited to fertility drug **Treatment**.

In such circumstances **We** reserve the right to apply particular restrictions to the cover **We** will offer, and **We** will notify **You** of those terms as soon as reasonably possible. This may limit **Your** baby's cover for existing **Medical Conditions**. This would mean that **Your** baby will not be covered for **Treatment** carried out for **Medical Conditions** which existed prior to joining, such as **Treatment** in a Special Care Baby Unit and **You** will be liable for these costs.

## 6.6 Changing Your cover

Subsequent changes in cover can only be made at renewal.

## 6.7 Continuous transfer terms

We will maintain **Your** existing underwriting or special acceptance terms, as shown by **Your** current insurer, such as any moratoria or specific exclusions and **Your Group Plan** with **Us** will be governed by the terms and conditions of this **Group Plan**. The acceptance by **Us** of **Your** original **Entry Date** will be applied to **Your Group Plan** with **Us** and any transfer will be subject to no enhanced **Benefits** being provided.

Should **Your Group Plan** come to an end **You** can apply to transfer to one of **Our** Individual WorldCare **Plans**. **Your** application must be submitted to **Us** before **You** leave the **Group Plan** and acceptance is subject to written agreement from **Us**.

Please ensure that **You** show the following information to others covered under **Your Plan**, or make them aware of its contents.

**We** and the **Underwriters** will deal with all personal information supplied in the strictest confidence as required by the Personal Data Protection Act. **We** and **Your** Underwriters collect personal information about **You** and **Your Dependants** (including health, bank account and occupation) for the purpose of establishing and administering **Your Plan**. This includes information supplied by **You**, those family members, medical providers or **Your** employer (if applicable). **Your** information may be passed to Now Health group companies administering **Your Plan**, **Underwriters**, **Medical Practitioners**, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside Singapore. Some of the information **We** collect about **You** may be classified as "sensitive" – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain **Your** explicit consent before **We** process the information.

When **You** provide information about family members, **We** will take this as confirmation that **You** have their consent to do so. As the legal holder of the **Plan** all correspondence about the **Plan**, including claims correspondence, will be sent to the **Planholder**. If any family member over 18 insured under the **Plan** does not want this to happen they should apply for their own **Plan**.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the General Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a **Medical Practitioner's** fitness to practise may be impaired.

Please contact **Our** Customer Services team or write to **Us** at the address on the back of this handbook if **You** wish Now Health International group companies to contact **You** via letter, SMS or email with details of other IPMI or related product and services. A list of Now Health group companies, their contact details and **Our** Data Privacy Policy is available at [www.now-health.com](http://www.now-health.com).

## 8. Rights and responsibilities

---

The group agreement between **Us** and **Your** company/employer, the group application form, the group employee application form (if applicable) and any supporting documents, the **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Group Plan** terms and conditions make up the contract between the **Planholder** and **Us**, with the purpose of providing **You** with **Benefit** when **You** need medical **Treatment**.

### 8.1 Your rights and responsibilities

- 8.1.1** **You** must make sure that whenever **You** are required to give **Us** any information, all the information **You** give **Us** is sufficiently true, accurate and complete so as to give **Us** a fair presentation of the risk **We** are taking on. If **We** discover later it is not, then **We** can cancel **Your** cover under the **Group Plan** or apply different terms of cover in line with the terms **We** would have applied had the information been presented to **Us** fairly in the first place.
- 8.1.2** Apart from certain countries where **We** have explicitly agreed to cover local nationals, this **Group Plan** is available only to people living outside their **Country of Nationality** so **You** must tell **Us** immediately via the **Plan Administrator** if **You** or any family member has gone to live in **Your Country of Nationality** – which means they will be in that country for more than six months in the year. **You** must tell **Us** if **You** change **Your** principal **Country of Residence**. If **You** don't tell **Us** **We** can refuse to pay **Benefits** claimed for.
- 8.1.3** Only **We** and the **Planholder** have legal rights under this **Group Plan** and it is not intended that any clause or term of this **Group Plan** should be enforceable, by any other person including any family member.
- 8.1.4** If **You** have an **Out-Patient Direct Billing** membership card, it is **Your** responsibility to return all such cards for **You** and **Your Dependants** to **Us** if the **Plan Administrator** cancels or does not renew **Your Group Plan**. **We** will not be liable for any misuse by **You** of such **Out-Patient Direct Billing** membership cards.
- 8.1.5** This **Group Plan** shall be governed by and construed in accordance with the Laws of Singapore and the parties agree to submit to the jurisdiction of the Singapore courts.

### 8.2 Our rights and responsibilities

- 8.2.1** **We** will tell the **Planholder** in writing the date the **Group Plan** starts and any special terms which apply to it.  
**We** can refuse to give cover and will tell the **Planholder** if **We** do.
- 8.2.2** If for whatever reason there is a break in **Your** cover, **We** may reinstate the cover if the premium is subsequently paid, though terms of cover may be subject to variation. Any acceptance by **Us** is subject to **Our** written consent and the **Planholder's** acceptance.
- 8.2.3** **We** can refuse to add a family member to the **Group Plan** and **We** will tell the **Planholder** if **We** do.
- 8.2.4** **We** will pay for **Eligible** costs incurred during a period for which the premium has been paid.
- 8.2.5** If **You** break any of the terms of the **Group Plan** which **We** reasonably consider to be fundamental, **We** may (subject to 8.2.8) do one or more of the following:
- Refuse to make any benefit payment or, if **We** have already paid **Benefits**, **We** can recover from **You** or the **Planholder** any loss to **Us** caused by the break
  - Refuse to renew **Your Benefits** under the **Group Plan**
  - Impose different terms to any cover **We** are prepared to provide
  - End **Your Group Plan** and all cover under it immediately

### 8.2.6 Break in cover

Where there is a break in cover, for whatever reason, **We** reserve the right to reapply exclusion 5.24 in respect of pre-existing medical conditions.

8.2.7 Waiver by **Us** of any breach of any term or condition of this **Group Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.

8.2.8 If **You** (or anyone acting on **Your** behalf) make a claim under **Your Group Plan** knowing it to be false or fraudulent, **We** can refuse to make benefit payments for that claim and may declare **Your Benefits** void, as if it never existed. If **We** have already paid the benefit **We** can recover those sums from **You** or the **Planholder**. Where **We** have paid a claim later found to be fraudulent (whether in whole, or in part), **We** will be able to recover those sums from **You**.

#### 8.2.14 SANCTION LIMITATION AND EXCLUSION CLAUSE

No insurer shall be deemed to provide cover and no insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, Japan, United Kingdom or United States of America.
