#### **Data Protection**

Please ensure that You show the following information to others covered under Your Plan or make them aware of its contents.

We and the Underwriters will deal with all personal information supplied in the strictest confidence as required by the Personal Data Protection Act. We and Your underwriters collect personal information about You and Your Dependents (including health, bank account and occupation) for the purpose of establishing and administering Your Plan. This includes information supplied by You, those family members, medical providers or Your employer (if applicable). Your information may be passed to Now Health group companies administrating Your Plan, Underwriters, Insurers, Reinsurers, Medical Practitioners, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside Your country of residence. Confidentiality is required of any third parties to whom the administration of Your Plan may be subcontracted, including those based outside the country of Your residency. In certain circumstances, medical service providers (or others) may be asked to supply further information. Your personal details will not be disclosed to other organizations without Your consent.

You have a right of access to, and correction of, information that we hold about You. Please contact Us if You would like to exercise either of these rights. Some of the information We collect about You may be classified as "sensitive" – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain Your explicit consent before We process the information. When You provide information about family members, We will take this as confirmation that You have their consent to do so. As the legal holder of the Plan all correspondence about the plan, including claims correspondence, will be sent to the Planholder. If any family member over 18 insured under the Plan does not want this to happen they should apply for their own Plan.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the General Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a **Medical Practitioner's** fitness to practice may be impaired.

Please contact our Customer Services team or write to us at the address on the back of this form if **You** wish Now Health International group companies to contact **You** via letter, SMS or email with details of other IPMI or related product and services. A list of Now Health group companies, their contact details and **Our** Data Privacy Policy is available at www.now-health.com/privacy

Your health claims information may be shared by Now Health International Group companies to other Insurance Companies or Reinsurance Companies for the purposes of risk management, contract negotiations, research, development and analysis, as well as, to promote other products that may be of interest to You.

## Sanctions Limitation and Exclusion

We will not provide You with any services or benefits including but not limited to acceptance of premium payments, claim payments and other reimbursements if in doing so, We violate applicable law, regulation, code or court order or are or will be otherwise sanctioned, prevented or restricted.

We may terminate Your Plan if We consider You or Your directors or officers as sanctioned persons, or You conduct an activity which is sanctioned, according to trade or economic laws & regulations.

Important note: We regard the rights above as best practice but the legal requirements may differ in the country in which You reside. Please contact Us for additional information regarding regulations in Your jurisdiction.
