► Introducing WorldCare

WorldCare is one of the most comprehensive, benefit-rich products in the international health insurance market today. There are four levels available: Essential, Advance, Excel and Apex. This means you can select the level of cover you prefer to suit your lifestyle, from basic medical treatment, to a more comprehensive package.

WorldCare Essential

is the most affordable package for people who want to be sure they can access in-patient and day-patient hospital care when they need it, while minimising their health insurance costs.

WorldCare Advance

covers you for all-round medical care for in-patient, day-patient treatment and out-patient care including GP and specialist appointments, physiotherapy and alternative therapies.

WorldCare

WorldCare Excel

covers you at higher benefit levels than Advance for in-patient, day-patient and out-patient treatment and includes routine and complex dental care.

WorldCare Apex

is the highest level of cover. With very high benefit limits, it includes in-patient, day-patient, out-patient, routine and complex dental treatment, and routine maternity care.

You can shape the cover you want by adding the following options providing a more comprehensive package for you and your family.

See how you can take advantage of your WorldCare plan today!

- We also have a range of annual **In and Day-Patient Deductibles** to suit your lifestyle. Deductibles give you greater flexibility to tailor your plan to your needs – from a high deductible to reduce your premium, to a low or nil deductible if you expect to use your plan frequently.

- If you choose an optional Deductible, on WorldCare Advance, WorldCare Excel or WorldCare Apex, you must also select a Co-Insurance Out-Patient Treatment option or an Out-Patient Per Visit Excess option. On WorldCare Essential if you choose an optional Deductible and an Out-Patient Charges option, you must also select a Co-Insurance Out-Patient Treatment option.

- Select **Extended Evacuation and Repatriation** and select **USA Elective Treatment** to give you greater peace of mind if you need to travel abroad.

- Add options of **Wellness, Optical and Vaccinations, Dental Care**, for added flexibility

- You can have an **Out-Patient Per Visit Excess** of either USD 25/SGD 30 or USD 15/SGD 20 per visit to an out-patient medical practitioner
- Choose the **Co-Insurance Out-Patient Treatment** option – pay either 10% or 20% of your out-patient treatment. There is a premium discount associated with this option based on the co-insurance you have selected.

- **Teleconsultation services** will be paid in full with Now Health International medical providers even if you have selected an Out-Patient co-insurance or Out-Patient per visit excess.

► What We Don't Cover

There are some limitations that apply in addition to any personal exclusion we may detail in your Certificate of Insurance. These include treatments that may be considered a matter of personal choice (such as cosmetic treatment) and other treatments that are excluded from cover to keep premiums at an affordable level. For a full description, please refer to the members' handbook.
