For In-Patient and Day-Patient Treatment

If **You** are referred for **In-Patient** or **Day-Patient Treatment**, **You** must get all **In-Patient** and **Day-Patient Treatment** pre-authorised by **Us** in advance. Failure to do so means **You** may incur a proportion of the medical costs.

Step 1

Two working days before **You** are admitted (or whenever possible), contact **Our** customer service team at ClinicalService@now-health.com

Tell Us the Hospital name, telephone number, fax number, the contact name at the Hospital and the name of the Medical Practitioner.

Step 2

Your Medical Practitioner should complete a Pre-authorisation Request Form. You can download this form from the 'How to claim' page of the website or from the secure online portfolio area.

Once **Your Medical Practitioner** has completed the form, they can return it to **Us** directly or **You** can do so using one of the methods on the form or using the secure online portfolio area in the My Claims page.

 $\ensuremath{\textbf{We}}\xspace$ will contact $\ensuremath{\textbf{You}}\xspace$ once the arrangements have been made.

Step 3

When You arrive at the medical provider on the day of Your Treatment, show Your membership card and tell them that Direct Billing has been arranged.

We may also ask You to fill in some extra forms, such as a release of medical information by the medical provider. You can access all the forms You need from Your secure online portfolio area at www.now-health.com.

You will need to pay any Deductible on Your Group Plan to the medical provider before You leave.

Step 4

When **You** leave, ask the medical provider to send the original claim form and bill to **Us** for payment. **You** can track all subsequent claims activity in **Your** secure online portfolio area. Log in using **Your** username and password at www.now-health.com.

Important notes:

You must get all In-Patient and Day-Patient Treatment pre-authorised by Us in advance. Failure to do so means You may incur a proportion of the medical costs.

If You need repeat In-Patient or Day-Patient Treatment, We need a new claim form for each stay, even if it's for the same Medical Condition.

You will need to pay any Deductible on Your Group Plan to the medical provider before You leave.

3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

By contacting **Our Emergency** assistance service **You** will give **Us** the opportunity to arrange to settle **Your Hospital** bills directly where possible. It will also ensure that **Your** claim can be processed without any delays.

Step 1

Contact **Our Emergency** assistance service on +44 (0) 1276 602140 or email ClinicalService@now-health.com. This service is available 24 hours a day, 365 days a year.

They will need **Your** name and membership number as well as the **Hospital** name, telephone number and fax number, a contact name at the **Hospital** and the name of the **Medical Practitioner**.

Step 2

Our Emergency assistance service will verify whether the Medical Condition You are claiming for is Eligible under Your Group Plan.

Step 3

If **Your** claim is **Eligible**, **Our Emergency** assistance service staff will consider **Your Emergency** admission or **Your** request for **Evacuation** in relation to **Your** medical needs.

Step 4

If Our Emergency assistance service agrees that Your Medical Condition meets all of the following:

- is life-threatening
- is covered by Your Group Plan
- cannot be treated adequately locally, and
- requires immediate In-Patient Treatment

They will make all the necessary arrangements to have **You** moved by air and/or surface transportation to the nearest **Hospital** where appropriate medical **Treatment** is available.

Our Emergency assistance service will also ensure that any Eligible costs at the destination, such as admission costs, are settled directly with the Hospital.

$\mathbf{\nabla}$

Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

Important notes:

We will only pay for Evacuation costs that have been authorised and arranged by Our Emergency assistance service.

We will not pay for Your Evacuation costs if the Evacuation is directly or indirectly related to a Medical Condition which has been specifically excluded on Your Certificate of Insurance, or to any other Medical Condition or event specifically excluded in Your Group Plan.

3.4 What must I provide when making a claim?

Please make sure that You complete all the forms We ask You to.

You must send Us all Your claim information within six months of the first day of Treatment (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500/EUR 400/GBP 300, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

3.5 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**.

There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

3.6 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

If **You** are buying this **Plan** as a **Secondary Insurance Plan**, **We** request **You** to provide the following before **We** process **Your** claim:

- A copy of Your claim forms, invoices and receipts with service breakdown submitted to the Primary Health Insurer for the purpose of claim from Your Primary Health Insurance; and
- A copy of the claims settlement advices issued by the Primary Insurer which show the claims assessment details including the breakdown of claims being settled by Your Primary Health Insurance; and
- A copy of an updated Certificate Of Insurance of Your Primary Health Insurance that was not provided to Us when You applied for cover, if any.

3.7 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

You must tell Us on the claim form if You are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Group Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, You must repay Our outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Plan** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

3.8 You have a Deductible, an Out-Patient Per Visit Excess and/or Co-Insurance on Your Group Plan

Any **Deductible**, **Out-Patient Per Visit Excess** or **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Deductible**, an **Out-Patient Per Visit Excess** or **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Group Plan**.

When a claim is made, any **Deductible** is automatically deducted from the amount **We** pay in relation to **Eligible In-Patient, Day-Patient** or **Out-Patient Treatment** first.

The **Deductible** applies per **Insured Person**, per **Period of Cover**. If the full **Deductible** amount has not been fulfilled after the first claim, the **Deductible** balance will be taken from subsequent claims before any **Eligible** claim amount is paid.

The **Out-Patient Per Visit Excess** applies per **Insured Person**, per **Out-Patient** consultation in relation to **Eligible Out-Patient Treatment**. For example, if an **Insured Person** has more than one visit in relation to **Out-Patient** consultations for a single or multiple **Medical Condition**(s), then the **Out-Patient Per Visit Excess** will be applied to each consultation.

If **You** have both a **Deductible** and an **Out-Patient Per Visit Excess**, the **Out-Patient Per Visit Excess** will only be taken after the full **Deductible** amount has been fulfilled.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover.** For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100/EUR 80/GBP 62.50, then the **Insured Person** will have to pay USD 20/EUR 16/GBP 12.50 and **We** will pay USD 80/EUR 64/GBP 50 towards this claim.

If **You** have both a **Deductible** and a **Co-Insurance Out-Patient** option, **We** will first apply the **Deductible** before any **Co-Insurance** is applied. For example, if an **Insured Person** has a USD 150/ EUR 120/GBP 95 **Deductible** and a 20% **Out-Patient Co-Insurance**, and the **Eligible Out-Patient** claimed amount is USD 500/EUR 400/GBP 310, then the **Insured Person** needs to pay the USD 150/ EUR 120/GBP 95 **Deductible** plus 20% of the balance of the claimed amount, which is a total of USD 220/EUR 176/GBP 138. **We** will then pay USD 280/EUR 224/GBP 172 towards this claim.

You need to submit Your claim form and bills, even if the **Deductible** or **Out-Patient Per Visit Excess** is greater than the **Benefits You** are claiming so **We** can administer **Your Group Plan** correctly. When **You** make a claim, **We** will reduce the amount **We** pay **You** until the **Deductible** or **Out-Patient Per Visit Excess** limit is used up.

3.9 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Group Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

3.10 What currencies can claims be made in?

You have the choice of claims reimbursement in either the currency of Your Plan, the currency You incurred Your claim in, or another currency of Your choice, subject to local currency and/or international restrictions/regulations and our partners bank's transacting capabilities.

4. Benefits: What is covered?

All the **Benefits** covered by SimpleCare are shown in the **Benefit Schedule** in this section. The **Benefit** limits are per **Insured Person** and either per **Medical Condition**, per visit or per **Period of Cover**.

Please remember that this Group Plan is not intended to cover all eventualities.

In return for payment of the premium, We agree to provide cover as set out in the terms of this Group Plan.

Please refer to the definition of **Group Plan** in section 1 for details of the documents that make up **Your Group Plan**.

4.1 Summary of SimpleCare

SimpleCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury.

SimpleCare provides cover for **Treatment** in Europe only, unless the Worldwide Excluding USA option is being selected.

A summary of each Group Plan is shown below:

SimpleCare CORE	Cover for In-Patient and Day-Patient Treatment , and various Deductible options to lower Your premiums, if You want to cover high cost/low frequency major medical events only.
SimpleCare 100	As with SimpleCare CORE and generally higher Group Plan limits, and limited cover for Out-Patient Treatment .
SimpleCare 250	As with SimpleCare 100, but with higher Out-Patient Benefit limits, and cover for dental.

The above is a summary of just some of the **Group Plan Benefits**. For full details of the **Benefits** and exclusions, it is important that **You** read this handbook in full. For the full **Benefit Schedule**, please go to section 4.3.

4.2 Pre-Authorisation

Pre-Authorisation is mandatory for all In-Patient, Day-Patient Treatment and Diagnostic Procedures (Benefit 2) under this Group Plan.

For planned **Treatment**, **You** must contact **Our** customer service team on +44 (0) 1276 602110 | Fax +44 (0) 1276 602130 | Email ClinicalService@now-health.com, at least 2 working days before **Treatment** starts.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service on +44 (0) 1276 602140 or email ClinicalService@now-health.com as soon as possible and prior to discharge.

Your Group Plan with Us will only cover Reasonable and Customary Charges for Treatment that is Medically Necessary. It is important that You contact Us before Treatment for Us to confirm if such Treatment is Eligible under Your Group Plan.

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**.

Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

6.2 Premium payment

In most cases **Your** company/employer is responsible for payment of premiums. At the start of each **Group Plan** year, **We** will calculate **Your** new premium and let the **Plan Administrator** know how much it is. The **Plan Administrator** must pay **Your** premium when it is due. **We** must receive premiums before the **Start Date**, the due date or within 30 days of **Our** written acceptance at the latest, if a cover note is issued.

If the **Plan Administrator** does not, **We** will cancel **Your Benefits** and will not pay for any **Treatment** or **Benefit** entitlement arising after the date that the premium became due.

6.3 Eligibility

6.3.1 Entry Date

Cover starts on the **Start Date/Entry Date** shown on **Your Certificate of Insurance** provided **We** have received **Your** premium payment. Depending on the preferred premium payment method, a cover note may be issued and premiums will be due within 30 days of **Our** written acceptance.

6.3.2 Actively at Work

Actively at Work shall mean **You** are employed by the **Planholder** on a full time permanent basis and **You** are performing all **Your** regular duties according to **Your** employment terms on a customary manner and on a full time basis.

If **You** are an employee, **You** need to be Actively at Work on the day you become **Eligible** to join the **Group Plan**. If **You** are not Actively at Work on the day **You** become **Eligible**, **Your** cover will only begin on the day **You** return to work on an Actively at Work basis. **You** can only add **Your Dependants** when **You** return to work.

You are considered NOT being Actively at Work if:

- You are working less than 80% of the required work hours or being paid less than 80% of the usual pay as stipulated in Your employment terms
- You have a Medical Condition that necessitates absence from Your usual work place for more than 60 days
- You are on paid or unpaid leave for more than 30 days due to a Medical Condition
- You are on paid or unpaid leave for an extended period of more than 60 days, with the exception of maternity/paternity leaves as allowed by the local regulations

Subject to the terms and conditions of **Your Group Plan**, if subsequently **You** wish to add **Your** spouse, partner or child to **Your Group Plan**, the **Plan Administrator** must either use their online secure portfolio area at www.now-health.com or arrange for **You** to complete a new application form, if applicable. Cover will not start until **Your** application has been accepted by **Us** for that **Dependant** and **We** have received premium payment.

6.5 Adding New Borns

You can apply to add **New Born** babies (who are born to the **Planholder** or the **Planholder's** spouse) to the **Plan** from their date of birth. This can normally be done without filling out details of their medical history, provided the **Plan Administrator** adds them within 30 days of their date of birth. **You** can do this by applying via **Your** online secure portfolio area at www.now-health.com.

However, **We** will require details of the baby's medical history if the baby has been adopted, or was born as the result of any method of assisted conception or following any type of fertility **Treatment**, including but not limited to fertility drug **Treatment**.

In such circumstances **We** reserve the right to apply particular restrictions to the cover **We** will offer, and **We** will notify **You** of those terms as soon as reasonably possible. This may limit **Your** baby's cover for existing **Medical Conditions**. This would mean that **Your** baby will not be covered for **Treatment** carried out for **Medical Conditions** which existed prior to joining, such as **Treatment** in a Special Care Baby Unit and **You** will be liable for these costs.

Subsequent changes in cover can only be made at renewal.
