Your New Mobile Pass is Ready!

Download your digital
membership card now!

Your Mobile Pass – a digital version of your membership card you can download to your smartphone wallet – is ready.

Your Mobile Pass means you don't need to carry a physical membership card when you're attending a medical facility.

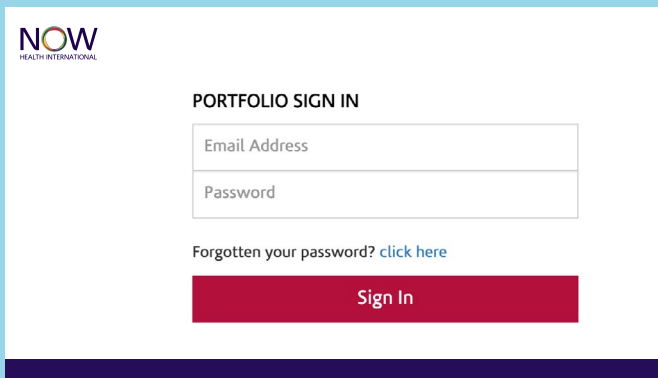

Watch our explainer video to see how simple the new mobile pass is to use!

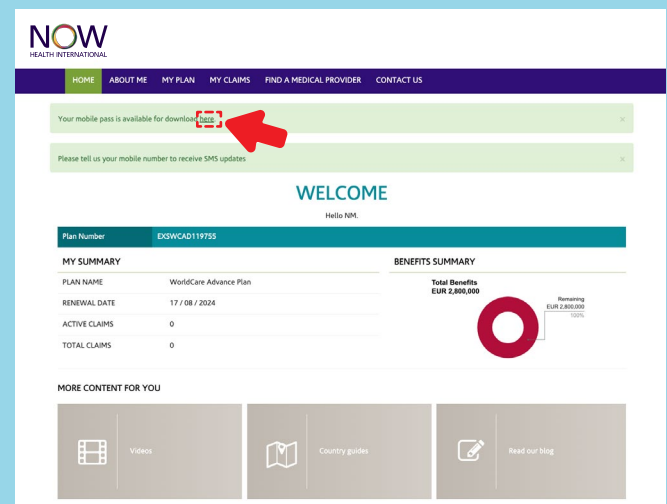

How do I download my mobile pass?

You can download your mobile pass from your [secure online portfolio area](#)

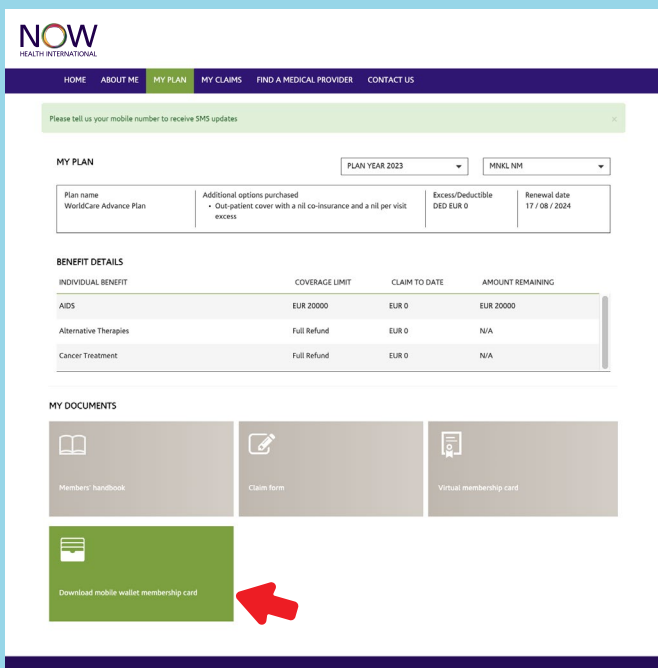

- 1 Log-in to your Secure Online Portfolio
<https://portfolio.now-health.com/>
and get started!

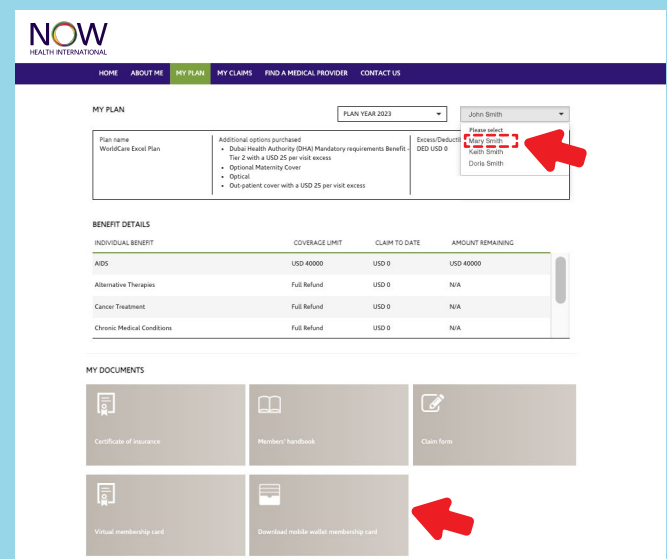

- 2 Download from "HOME" page, click Your mobile pass is available for download "here".

- 3 Simply click on the 'My Plan' page and select the green 'Download mobile wallet membership card' button at the bottom of the page.

- 4 To download a dependent's Mobile Pass, you can select each member on your plan from the top right corner of your Secure Online Portfolio, and click "Download wallet membership card."

Instant Access to Your Plan

Instantly access key plan information on your smartphone, including your plan type, expiry date and whether any Annual Deductible applies.
