If **You** need repeat **In-Patient** or **Day-Patient Treatment**, **We** need a new claim form for each stay, even if it's for the same **Medical Condition**.

You will need to pay any **Deductible** on **Your Group Plan** to the medical provider before **You** leave.

3.2 Arranging Direct Settlement

3.2.2 Out-Patient Treatment within the Now Health International Direct Billing Network

If **You** have a **Deductible** this does not apply to **Treatment You** receive on an **Out-Patient** basis in **Our Out-Patient Direct Billing** Network.

Your Eligible Out-Patient Treatment is subject to any selected **Out-Patient Per Visit Excess** option or **Co-Insurance Out-Patient Treatment** option.

- If **You** have selected an **Out-Patient Per Visit Excess** option, **You** need to pay the first USD 25/SGD 30 or USD 15/SGD 20 (depending on the option chosen) per consultation on **Eligible Out-Patient Treatment** to the medical provider upfront through **Our Out-Patient Direct Billing** Network. - If **You** have selected a **Co-Insurance Out-Patient Treatment** option, **You** must pay the **Co-Insurance** amount on **Eligible Out-Patient Treatment** to the medical provider upfront through **Our Out-Patient Direct Billing** Network.

If the **Out-Patient Per Visit Excess** or **Co-Insurance Out-Patient Treatment** is selected this will apply per **Insured Person** when **You** receive **Eligible Out-Patient Treatment** inside and outside of the **Now Health International Provider Network**.

Out-Patient Direct Billing is not available if **You** have chosen the WorldCare Essential **Plan** with the **Out-Patient** Charges option.

You can contact them on T +65 6880 2300 | F +65 6220 6950 | ClinicalService@now-health.com

Step 2

When **You** arrive at the medical facility, please show **Your** Now Health membership card. Please also take a form of identification such as an ID card or passport. The medical facility may ask **You** to complete and sign an authorisation form or disclaimer.

Step 3

The medical facility will check **Out-Patient Per Visit Excess** and any **Co-Insurance** before arranging for **You** to see a doctor.

If **Your** cover is not **Eligible**, they will still arrange for **You** to see a doctor but will ask **You** to pay for the **Treatment**.

Step 4

When **You** leave, the medical facility may ask **You** to sign a confirmation that **You** have received **Treatment**.

Step 5

If **You** need to return for further **Treatment**, **You** will have to complete the same procedure again.

Important notes:

If **You** receive **Treatment** that is not **Eligible** under **Your Group Plan** through the **Now Health International Provider Network**, **You** are liable for the costs incurred and **You** must refund **Us** or **We** may suspend **Your Benefits** until the **Planholder** or **You** have settled the outstanding amounts in full. If **We** determine that a claim was fraudulent, **We** may terminate **You** from the **Group Plan** with immediate effect without refund of premiums.

If **You** receive **Eligible Treatment** within the **Now Health International Provider Network** but pay and claim for the **Treatment** received, the standard **Out-Patient Per Visit Excess** or **Co-Insurance** will apply.

Out-Patient Direct Billing is **not** available for Psychiatry, Alternative Medicine, Hormone replacement therapy and Vitamins, minerals, dental, maternity and wellness, optical and **Vaccinations Benefits** unless it is specified on **Your** membership card.

3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

By contacting **Our Emergency** assistance service **You** will give **Us** the opportunity to arrange to settle **Your Hospital** bills directly where possible. It will also ensure that **Your** claim can be processed without any delays.

Step 1

Contact **Our Emergency** assistance service on +65 6880 2304 or email ClinicalService@now-health.com. This service is available 24 hours a day, 365 days a year.

Step 3

If **Your** claim is **Eligible**, **Our Emergency** assistance service staff will consider **Your Emergency** admission or **Your** request for **Evacuation** in relation to **Your** medical needs.

Step 4

If **Our Emergency** assistance service agrees that **Your Medical Condition** meets all of the following:

- is covered by **Your Group Plan**

Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

Important notes:

We will only pay for **Evacuation** costs that have been authorised and arranged by **Our Emergency** assistance service.

We will not pay for **Your Evacuation** costs if the **Evacuation** is directly or indirectly related to a **Medical Condition** which has been specifically excluded on **Your Certificate of Insurance**, or to any other **Medical Condition** or event specifically excluded in **Your Group Plan**.

3.4 Accessing elective Treatment in the USA

If **You** have selected the USA Elective **Treatment** option and need referral to a **Medical Practitioner** or **Hospital** in the USA, please follow the steps below.

If **You** are referred for **Out-Patient** diagnostics and surgery, **Day-Patient** or **In-Patient Treatment** in the USA, **You** must contact **Us** as soon as **You** can. **We** will confirm that the facility is an **In Network Medical Provider** and will try to arrange to settle the bill directly with the medical provider. If the medical provider **You** have selected is out of network or does not provide **Your** requested services on direct billing, **We** will make arrangements to find an equivalent medical provider that is in network.

Step 1

Five working days before **Your Treatment** (or as early as possible), contact **Our** customer service team on
T +65 6880 2300 | F +65 6220 6950 | ClinicalService@now-health.com

A Clinical Adviser will verify **Your** entitlement to **Benefits** for the proposed **Treatment** and give **You** details on how to claim.

Tell **Us** the name of the medical facility, telephone number, fax number, contact name and the name of the **Medical Practitioner**.

Step 2

Your Medical Practitioner should complete a **Pre-Authorisation** Request Form. **You** can download this form from the 'How to claim' page of the website or from the secure online portfolio area.

Once **Your Medical Practitioner** has completed the form, they can return it to **Us** directly or **You** can do so using one of the methods on the form or using the secure online portfolio area in the My Claims page.

We will contact **You** once the arrangements have been made.

Step 3

When **You** arrive at the medical provider on the day of **Your Treatment**, show **Your** membership card and tell the medical provider that **We** have arranged **Direct Billing** through **Our** agents.

We may also ask **You** to fill in some extra forms, such as an agreement that the medical provider can release information about **You** to **Us**. **You** can access all forms from **Your** online secure portfolio area at www.now-health.com.

You will need to pay any **Deductible, Co-Insurance** or **Out-Patient Per Visit Excess** on **Your Group Plan** to the medical provider before **You** leave.

Step 4

When **You** leave, ask the medical provider to send the original claim form and bill to **Us** for payment. **You** can track all subsequent claims activity on **Your** online secure portfolio area. Log in at www.now-health.com using **Your** username and password.

Important notes:

Please contact **Us** before **You** receive any **In-Patient Treatment, Day-Patient Treatment** or major **Out-Patient Treatment**. If **You** don't contact **Us** before **Your** admission, **We** may not be able to arrange to pay the medical provider directly. This might mean that **You** have to pay a deposit to the **Hospital** or pay **Your** bill in full.

If **You** go to an **Out of Network Medical Provider**, **We** will apply a **Co-Insurance** of 50% to any **Eligible Treatment** as per **Your Benefit Schedule**. **You** will be responsible for the difference, which **You** will have to pay directly to the **Out of Network Medical Provider**.

We reserve the right to refuse to cover any medical expenses that **You** incur in the USA that **We** have not authorised.

If **We** pay the medical provider directly for any **Treatment** that is not **Eligible** under **Your Group Plan**, **You** must refund the equivalent sum to **Us**.

You will need to pay any **Deductible, Co-Insurance** or **Out-Patient Per Visit Excess** on **Your Group Plan** to the medical provider before **You** leave.

3.5 What must I provide when making a claim?

Please make sure that **You** complete all the forms **We** ask **You** to.

You must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500/SGD 650, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

3.6 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**. There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or ask to examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

3.7 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

3.8 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

You must tell **Us** on the claim form if **You** are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Group Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, **You** must repay **Our** outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Benefits** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

3.9 You have a Deductible, an Out-Patient Per Visit Excess and/or Co-Insurance on Your Group Plan

Any **Deductible**, **Out-Patient Per Visit Excess** or **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Deductible**, an **Out-Patient Per Visit Excess** or **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Group Plan**.

When a claim is made, any **Deductible** is automatically deducted from the amount **We** pay in relation to **Eligible In-Patient** or **Day-Patient Treatment** first.

The **Deductible** applies per **Insured Person**, per **Period of Cover**. For example, if an **Insured Person** claims more than once for **In-Patient Treatment** during one **Period of Cover**, the **Deductible** will only apply to the first **Eligible In-Patient** claim if the full **Deductible** amount has already been fulfilled on the first claim. If the **Deductible** has not been fulfilled after the first claim, the **Deductible** balance will be taken from the second claim before any **Eligible** claim amount is paid.

The **Out-Patient Per Visit Excess** applies per **Insured Person**, per **Out-Patient** consultation in relation to **Eligible Out-Patient Treatment**. For example, if an **Insured Person** has more than one visit in relation to **Out-Patient** consultations for a single or multiple **Medical Condition** (s), then the **Out-Patient Per Visit Excess** will be applied to each consultation.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover**. For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100/SGD 130, then the **Insured Person** will have to pay USD 20/SGD 26 and **We** will pay USD 80/SGD 104 towards this claim.

You need to submit **Your** claim form and bills, even if the **Deductible** or **Out-Patient Per Visit Excess** is greater than the **Benefits You** are claiming so **We** can administer **Your Group Plan** correctly. When **You** make a claim, **We** will reduce the amount **We** pay **You** until the **Deductible** or **Out-Patient Per Visit Excess** limit is used up.

3.10 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

3.11 What currencies can claims be made in?

You have the choice of claims reimbursement in either the currency of **Your Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice, subject to local currency and/or international restrictions/regulations and our partners bank's transacting capabilities.

3.12 What is the maximum length of prescription I can claim at one time?

Eligible medications prescribed by **Your Medical Practitioner** will be paid up to 3 months or to the end of **Your** policy date, whichever is the earlier.

4.2 Pre-Authorisation

When **You** should contact us before **Treatment** starts.

Your Group Plan with **Us** will only cover **Reasonable and Customary Charges** for **Treatment** that is **Medically Necessary**. It is important that **You** contact **Us** before **Treatment** for **Us** to confirm if such **Treatment** is **Eligible** under **Your Group Plan**.

Pre-Authorisation is therefore required before undertaking **Treatment** and incurring charges.

The **Benefit Schedule** details those **Benefits** requiring **Pre-Authorisation** by showing “**Pre-Authorisation** 📞”.

You should contact **Our** customer service team on +65 6880 2300 | Fax +65 6220 6950.

Pre-Authorisation means all costs under this **Benefit** require **Pre-Authorisation** from **Us**, which may or may not be included in **Your Group Plan**.

Pre-Authorisation is required for the following:

- All **In-Patient Treatment**
- All pre-planned **Day-Patient Treatment**
- All pre-planned surgery
- **Diagnostic Procedures** – positron emission tomography (PET) scans, magnetic resonance imaging (MRI) scans, computed tomography (CT) scans
- **In-Patient Psychiatric Treatment**
- **Evacuation and Repatriation**
- Mortal Remains
- Physiotherapy for the Advance, Excel and Apex **Group Plan** options after every 10 sessions
- Nursing Care at home
- AIDS
- USA elective **Treatment**

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**. By **Reasonable and Customary Charges** **We** mean the standard fee that would be typically made in respect of **Your Treatment**.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible. Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

4.3 Now Health International: WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury. The **Benefit Schedule** below details the cover provided by each **Group Plan**. This is additional information that should be read in conjunction with this complete handbook.

Benefits aim to cover short term **Treatment** of acute episodes of **Chronic Conditions**, to return **You** to the state of health **You** were in immediately before suffering the episode, or which leads to a full recovery. If this is not possible and maintenance therapy of a **Chronic Condition**, such as but not limited to asthma, diabetes, and hypertension, is required, such cover will be provided by **Benefit 1 – Maintenance of Chronic Medical Conditions**. If **You** are unsure of **Your** particular circumstances, please contact **Our** customer service team before incurring any **Treatment** costs. Some cover states “Full Refund” and this means that **Eligible** claims are covered up to the annual maximum **Group Plan** limit, after any deduction of any **Deductible, Out-Patient Per Visit Excess** or **Co-Insurance** or similar condition, if **Reasonable and Customary Charges** for **Medically Necessary Treatment** are incurred.

At the start of each **Group Plan** year, **We** will calculate **Your** new premium and let the **Plan Administrator** know how much it is. The **Plan Administrator** must pay **Your** premium when it is due. **We** must receive premiums before the **Start Date**, the due date or within 30 days of **Our** written acceptance, if a cover note is issued, subject to Clause 8.2.13 below.

If the **Plan Administrator** does not pay **Your** premium, **We** will cancel **Your Benefits** from the **Start Date** and will not pay for any **Treatment** or **Benefit** entitlement.

You are not allowed to change the currency of **Your Plan** at renewal of **Your Plan** unless **You** change the **Country of Residence**, and the currency change (if any) is subject to underwriting.

6.3 Eligibility

6.3.1 Entry Date

Cover starts on the **Start Date** shown on **Your Certificate of Insurance** provided **We** have received **Your** premium payment. Depending on the preferred premium payment method, a cover note may be issued and premiums will be due within 30 days of **Our** written acceptance.

- **You** are working less than 80% of the required work hours or being paid less than 80% of the usual pay as stipulated in **Your** employment terms

8.2.6 Break in cover

Where there is a break in cover, for whatever reason, **We** reserve the right to reapply exclusion 5.27 in respect of pre-existing **Medical Conditions**.

8.2.7 Waiver by **Us** of any breach of any term or condition of this **Group Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.

8.2.8 If **You** (or anyone acting on **Your** behalf) make a claim under **Your Group Plan** knowing it to be false or fraudulent, **We** can refuse to make **Benefit** payments for that claim and may declare **Your Benefits** void, as if it never existed. If **We** have already paid the **Benefit** **We** can recover those sums from **You** or the **Planholder**. Where **We** have paid a claim later found to be fraudulent (whether in whole, or in part), **We** will be able to recover those sums from **You**.

8.2.9 **We** retain all rights of subrogation. **You** have no right to admit liability for any event or give any undertaking, which is binding upon **You**, **Your Dependents** or any other person named in the **Certificate of Insurance** without **Our** prior written consent.

8.2.10 **We** may alter the handbook terms or **Benefit Schedule** from time to time, but no alteration shall take effect until the next annual **Renewal Date**. **We** shall notify such changes to the **Plan Administrator**. **We** reserve the right to revise or discontinue the **Group Plan** with effect from any **Renewal Date**. No variation or alteration will be admitted unless it is in writing and signed on behalf of **Us** by an authorised employee.

8.2.11 This **Group Plan** is written in English and all other information and communications to **You** relating to this **Group Plan** will also be in English unless **We** have agreed otherwise in writing.

8.2.14 SANCTION LIMITATION AND EXCLUSION CLAUSE

No insurer shall be deemed to provide cover and no insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, Japan, United Kingdom or United States of America.

8.2.15 TERRORISM EXCLUSION ENDORSEMENT

Notwithstanding any provision to the contrary within this insurance or any endorsement thereto it is agreed that this insurance excludes loss, damage cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purpose of this endorsement an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear.

This endorsement also excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.

If the **Underwriters** allege that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the Assured.

In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

8.2.16 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 2001
