

WorldCare Explained

A woman with long, wavy brown hair is blowing bubbles. She has her eyes closed and a slight smile. She is holding a red bubble wand in her right hand, which is adorned with a ring and a bracelet. Several large, iridescent bubbles are floating around her. The background is a blurred green, suggesting an outdoor setting. A semi-transparent purple box is overlaid on the right side of the image.

► How to Use Your Company Plan

When you need to use your company plan, we've designed the process to be as straightforward as possible.

When your employees need out-patient treatment

If you select a plan that includes out-patient treatment, you can go to any medical practitioner, pay for your treatment and claim back your expenses. You won't have to pay anything if you have access to our Out-Patient Direct Billing Network. You can find a medical provider in our network from www.now-health.com or download our smartphone App.

When your employees need in-patient or day-patient treatment

If your employees need to be admitted to hospital for day-patient or in-patient treatment, contact us and we will place a guarantee of payment with the medical provider so you don't need to pay anything. We aim to do this within five working days of your employee's call.

When your employees need preventive care

If you select one of our wellness additional options, your employees will be able to access screening, optical and vaccination benefits to safeguard you and your employee's future health.

Accessing help

Our customer service teams around the world are accessible 24-hours a day, 365-days a year. This service is available to you no matter where you are in the world, no matter of what time of day it is. They are on hand to answer any question about your plan, benefits, claims or if you have an emergency and need immediate help.

► How to Claim

If your employees have accessed treatment within our out-patient direct billing network or if we've placed a guarantee of payment for them, there's no need to do anything further.

If your employees have had to pay and claim, we will process their eligible claims within **five working days**.

Your employees can track the status of all their claims in their secure online portfolio. We will email and SMS them updates as they happen.

► Introducing WorldCare

WorldCare is one of the most comprehensive, benefit-rich products in the international health insurance market today. There are four levels available: Essential, Advance, Excel and Apex. This means you can select the level of cover you prefer to suit your lifestyle, from basic medical treatment, to a more comprehensive package.

WorldCare Essential

is the most affordable package for people who want to be sure they can access in-patient and day-patient hospital care when they need it, while minimising their health insurance costs.

WorldCare Advance

covers you for all-round medical care for in-patient, day-patient treatment and out-patient care including GP and specialist appointments, physiotherapy and alternative therapies.

WorldCare Excel

covers you at higher benefit levels than Advance for in-patient, day-patient and out-patient treatment and includes routine and complex dental care.

WorldCare Apex

is the highest level of cover. With very high benefit limits, it includes in-patient, day-patient, out-patient, routine and complex dental treatment, and routine maternity care.

WorldCare

You can shape the cover you want by adding the following options providing a more comprehensive package for your employees.

See how you can take advantage of your WorldCare plan today!

- We also have a range of annual **In and Day-Patient Deductibles** to suit your lifestyle. Deductibles give you greater flexibility to tailor your plan to your needs – from a high deductible to reduce your premium, to a low or nil deductible if you expect to use your plan frequently.

- If you choose an optional Deductible, on WorldCare Advance, WorldCare Excel or WorldCare Apex, you must also select a Co-Insurance Out-Patient Treatment option or an Out-Patient Per Visit Excess option. On WorldCare Essential if you choose an optional Deductible and an Out-Patient Charges option, you must also select a Co-Insurance Out-Patient Treatment option.

- You can have an **Out-Patient Per Visit Excess** of either USD 25/EUR 20/GBP 15 or USD 15/EUR 12/GBP 10 per visit to an out-patient medical practitioner

- Choose the **Co-Insurance Out-Patient Treatment** option – pay either 10% or 20% of your out-patient treatment. There is a premium discount associated with this option based on the co-insurance you have selected.

- Select **Extended Evacuation and Repatriation** and select **USA Elective Treatment** to give you greater peace of mind if you need to travel abroad.

- Add options of **Wellness, Optical and Vaccinations, Dental Care, and Maternity** for added flexibility.

- **Teleconsultation services** will be paid in full with Now Health International medical providers even if you have selected an Out-Patient co-insurance or Out-Patient per visit excess.

- **Medical History Disregarded** – where we may be able to offer cover without asking for detailed medical information on your employees up-front (for compulsory group plans with 10 or more employees).
