When you need to use your company plan, we've designed the process to be as straightforward as possible.

When your employees need out-patient treatment

When your employees need in-patient or day-patient treatment

If your employees need to be admitted to hospital for day-patient or in-patient treatment, contact us and we will place a guarantee of payment with the medical provider so you don't need to pay anything. We aim to do this within five working days of your employee's call.

When your employees need preventive care

If you select one of our wellness additional options, your employees will be able to access screening, optical and vaccination benefits to safeguard you and your employee's future health.
