# How to Use Your Plan

## When your employees need out-patient treatment

If you select a plan that includes out-patient treatment, you can go to any medical practitioner, pay for your treatment and claim back your expenses. You won't have to pay anything if you have access to our Out-Patient Direct Billing Network. You can find a medical provider in our network from [www.now-health.com](http://www.now-health.com) or download our smartphone App.

## When your employees need in-patient or day-patient treatment

If your employees need to be admitted to hospital for day-patient or in-patient treatment, contact us and we will place a guarantee of payment with the medical provider so you don't need to pay anything. We aim to do this within two working days of your employee's call.

## When your employees need preventive care

If you select one of our wellness additional options, your employees will be able to access screening, optical and vaccination benefits to safeguard you and your employee's future health.

## Accessing help

Our customer service teams around the world are accessible 24-hours a day, 365-days a year. This service is available to you no matter where you are in the world, no matter of what time of day it is. They are on hand to answer any question about your plan, benefits, claims or if you have an emergency and need immediate help.

# How to Claim

If your employees have accessed treatment within our out-patient direct billing network or if we've placed a guarantee of payment for them, there's no need to do anything further.

If your employees have had to pay and claim, we will process their eligible claims within **five working days**.

Your employees can track the status of all their claims in their secure online portfolio. We will email and SMS them updates as they happen.

## *All out-patient claims, and all in/day-patient claims*

**under USD 500** per medical condition

Employees can claim online using our secure online portfolio or smartphone App. Alternatively, if you prefer an offline solution you can email, post or fax us the front of the claim form and your scanned receipts.

## *All in/day-patient claims*

**over USD 500** per medical condition

Complete the front of the claim form and ask your medical practitioner to complete the back of the form. Upload it using our secure online portfolio, or email or fax it to us with your scanned receipts, diagnostic reports and/or discharge reports.
