亚太财产保险有限公司

团体易全保医疗保险(2026年4月版)条款 (注册编号: C00003832512026033197173)

第一条

本保险合同由保险条款、团体投保单、保险单或保险凭证、保障一览表和批注构成。凡涉及本保险合同的任何其他协议, 均应采用书面形式, 并经保险人同意。

第二条

投保人是指为被保险人投保本保险的团体。在本保险合同的生效日期及随后的所有续保日期时, 符合被保险人资格的自然人不得少于3人。

第三条

- 直接被保险人: 投保人所有在职全职员工。
- 连带被保险人: 连带被保险人的范围由投保人在投保时决定, 其中可以包括以下直接被保险人的家庭成员:

- 直接被保险人的合法配偶。
- 直接被保险人的子女(年龄在18周岁以下的或在28周岁以下的且正在保险人认可的教育机构中注册的全日制学生)。该类连带被保险人的承保需获取保险人的同意, 并应由投保人确定其在本保单下享有的保障范围。
- 其他被保险人书面同意的人。

直接被保险人可申请将(直接被保险人或其配偶所生)新生儿加入本保单, 自婴儿出生之日起生效。如果直接被保险人在婴儿出生后30天内将其加入保单, 则无需填写婴儿的详细病史。直接被保险人可登录 www.now-health.com, 在直接被保险人在线组合区进行申请。

但如果出现以下情况, 保险人将要求提供婴儿的详细病史:

- 婴儿在直接被保险人的保单生效日期或其配偶的保单生效日期(以最晚日期为准)起计的10个月内出生;
- 婴儿是被收养;
- 婴儿是通过辅助受孕方法或任何类型生育治疗(包括但不限于生育药物治疗)出生的。

在此情况下, 保险人保留其对所提供保障范围应用特别限制条款的权利, 且保险人应在合理的时间内将这些条款通知直接被保险人。这可能会限制直接被保险人的婴儿的现有医疗状况的医疗保障。这意味着直接被保险人的婴儿的保障范围不包括参保前的某些医疗状况导致其所接受的治疗, 例如在新生儿特别护理病房进行治疗, 此类相关费用应由直接被保险人承担。

保险人有权拒绝将直接被保险人的某一或某几位家庭成员加入本保险合同, 并应在合理的时间告知投保人。

- 任何连带被保险人的医疗保障均应与直接被保险人相同, 但投保人和保险人对连带被保险人的医疗保障的保障范围作出特别限制的除外。
- 本保险合同中的直接被保险人和连带被保险人统称为被保险人。
- 拥有美国国籍, 并且每年在美国境内居住超过90日(包括90日)的自然人, 不能作为本保险合同的被保险人。如被保险人在任一投保人与保险人双方一致同意的排除在保障区域之外的国家/地区居住, 则保险人不能为其承保。在承保前, 保险人应将保障区域之外的国家/地区列表告知投保人。

第四条

除另有约定外, 本保险合同的受益人应指被保险人本人。

如果被保险人将现有其他保险单转至本保险单，则保险人将维持被保险人在现有保险单项下所列明的承保条件或特约条款（例如延期偿付或特别约定的责任免除事项等），且被保险人与保险人之间的保险合同也将受其约束。被保险人现有保险单的最早批单签发日也将适用于本保险单，任何保险单的转移须以不增加本保险单所提供的保障为条件且须获得保险人的书面同意。

当被保险人于保险人之团体医疗保险终止时，被保险人可以申请转移至保险人之个人医疗保险项下的某一保险计划。被保险人的该转移申请须在其脱离团体医疗保险之前提交给保险人并须获得保险人的书面同意方可被接纳。

第二十六条 — 合同的解除

投保人可在14日的犹豫期内联系保险人取消保险单。14日的犹豫期从本保险合同签订之日起计算，或从投保人收到全部的保险单条款和条件之日起计算，以两者中较后者为准。14日犹豫期同样也从每个续保日期起生效。如果投保人在犹豫期内没有发生任何索赔或不存在任何在这14日内发生的可能导致索赔的情况，保险人应向投保人退还投保人已缴纳的保险费，同时投保人与保险人签署的保险合同终止。如果在保险期间产生了符合条件的理赔费用，则保险人保留在法律允许的范围内向投保人要求支付为保险单提供的有关服务费用的权利，保险人有权从退回的保险费中扣除保险人就此发生的服务费用。

在本保险合同生效后，投保人可以以书面形式通知保险人解除本保险合同，但保险人已根据本保险合同规定支付保险金的，投保人不得要求解除本保险合同。

Asia-Pacific Property & Casualty Insurance Co., Ltd. Companies SimpleCare Medical Insurance (April 2026) Policy Wording (Registration No: C00003832512026033197173)

Article 1

This insurance contract consists of the policy wording, group application form, insurance policy or certificate, benefit schedule and endorsement. Any other agreement related to this insurance contract shall be in written form and agreed by insurer.

Article 2

The policyholder is the group applying for the insurance policy on behalf of the insured persons. The number of the insured persons eligible to be insured persons shall not be less than three natural persons at the start date and each subsequent renewal date.

Article 3

1. Direct insured: all the active full time employees of the policyholder in service.
2. Dependant: the scope of dependant is decided by the policyholder during application that may include the family member(s) of the direct insured:
 - a. Legal spouse of the direct insured person.
 - b. Children (aged not more than 18 or up to 28 for those registered as full time students at recognised educational institutions) of an insured person. It is subject to the consent of the insurer and shall be arranged by the policyholder for coverage under this policy.
 - c. Any other person that the direct insured person agreed to enrol in writing.

The direct insured can apply to add new born babies (who are born to the direct insured or the direct insured's spouse) to the policy from their date of birth. This can normally be done without filling out details of their medical history, provided the direct insured adds them within 30 days of their date of birth. The direct insured can do this by applying via his/her online secure portfolio area at www.now-health.com.

However, the insurer will require details of the baby's medical history if :

- the baby was born within 10 months from the direct insured 's start date or the direct insured spouse's start date, whichever date is later; or
- the baby has been adopted; or
- the baby was born as the result of any method of assisted conception or following any type of fertility treatment, including but not limited to fertility drug treatment.

In such circumstances the insurer reserves the right to apply particular restrictions to the cover the insurer will offer, and the insurer will notify the direct insured of those terms as soon as reasonably possible. This may limit the direct insured baby's cover for existing medical conditions. This would mean that the direct insured's baby will not be covered for treatment carried out for medical conditions which existed prior to joining, such as treatment in a Special Care Baby Unit and the direct insured will be liable for these costs.

The insurer can refuse to add a family member to the policy and the insurer will tell the policyholder if the insurer does.

3. Dependants must be covered under the same level of benefits as the direct insured except the insured and the insurer make special restrictions on the medical coverage of the dependent.
4. The direct insured and the dependant in this contract should also be named insured person.
5. This contract will not cover the applicant with US nationality who resides in the US for more than 90 days (including 90 days) every year. In addition, there are some mutually agreed excluded countries that the insurer cannot offer cover if the insured person resides in any of them. Such excluded country list will be communicated to the policyholder prior to the enrolment of the policy.

Article 4

The beneficiary of this insurance contract refers to insured person except for any agreement otherwise.

3. 如何理赔

3.2 安排直付服务

如果您需要接受住院治疗或日间留院治疗，我们会尽力安排与合作医疗机构进行直接结算。

第一步

在您住院前5个工作日（或尽可能提前），您可以通过以下方式联系我们的客户服务团队：
电话 +86 400 077 7500 / +86 21 6156 0910 | 传真 +86 400 077 7900 | ClinicalService@now-health.com
请告知您即将接受住院治疗或日间留院治疗的医疗机构的名称，电话号码，传真号码，医院联络人姓名及主治医生姓名。

第二步

选择您提交理赔的方式

您的医生应需要填写预先授权申请表。

第三步

在您接受治疗当天，到达医疗机构后请您先出示您的会员卡，并告知工作人员我们已经为您安排了直付服务。
我们可能会请您填写一些附加的表格，您可以通过 www.now-health.cn 登录您的网上安全组合区找到所有相关文件。

在您离开之前，您需要支付您的保险合同下所有相关免赔额或自付比例。

3. How to claim

3.2 Arranging Direct Settlement

3.2.1 *For in-patient and day-patient treatment*

If you are referred for in-patient or day-patient treatment, we will try to arrange to settle the bill directly with the medical provider.

Step 1

Five working days before you are admitted (or whenever possible), contact our customer service team on
T +86 400 077 7500 / +86 21 6156 0910 | F +86 400 077 7900 | ClinicalService@now-health.com

Tell us the hospital name, telephone number, fax number, the contact name at the hospital and the name of the medical practitioner.

Step 2

Choose how you would like to claim.

Your medical practitioner should complete a Pre-authorisation Request Form. You can download this form from the 'How to claim' page of the website or from the secure online portfolio area.

Once your medical practitioner has completed the form, they can return it to us directly or you can do so using one of the methods on the form or using the secure online portfolio area in the My Claims page.

We will contact you once the arrangements have been made.

Step 3

When you arrive at the medical provider on the day of your treatment, show your membership card and tell them that Direct Billing has been arranged.

We may also ask you to fill in some extra forms. You can access all the forms you need from your online secure portfolio area at www.now-health.cn.

You will need to pay any deductible on your group plan to the medical provider before you leave.

Step 4

When you leave, ask the medical provider to send the original claim form and bill to us for payment. You can track all subsequent claims activity in your secure online portfolio area. Log in using your username and password at www.now-health.cn.

Important notes:

For in-patient treatment, day-patient treatment or major out-patient treatment, please contact us before you get treatment. If you don't make contact before your admission, we may not be able to arrange to pay the medical provider directly. This might mean that you have to pay a deposit to the medical provider or pay your bill in full.

If you need repeat in-patient or day-patient treatment, we need a new claim form for each stay, even if it's for the same medical condition.

You will need to pay any deductible or co-insurance on your group policy to the medical provider before you leave.

3. 如何理赔

第五步

在治疗结束以后，我们的紧急援助工作人员会在您的健康情况允许的情况下帮助安排交通帮您返回合适的目的地。

重要提示：

我们只赔付由我们的紧急援助服务团队预先书面同意及安排的医疗转运的费用。如果医疗转运的费用直接或间接与您的保险凭证中所列的责任免除或者与您的保险合同中所列明的责任免除相关，我们将不会赔付此次医疗转运的费用。

3. How to claim

3.3 When you need emergency medical treatment

If a hospital admits you for emergency medical treatment or if the hospital that is treating your emergency medical condition tells you that you need to be evacuated to another medical facility for treatment, you, the treating medical practitioner or the hospital, must contact our 24 hour emergency assistance service as soon as possible.

By contacting our emergency assistance service you will give us the opportunity to arrange to settle your hospital bills directly where possible. It will also ensure that your claim can be processed without any delays.

Step 1

Contact our emergency assistance service on +86 400 077 7600 / +86 21 6156 0914 or email ClinicalService@now-health.com. This service is available 24 hours a day, 365 days a year.

They will need your name and membership number as well as the hospital name, telephone number and fax number, a contact name at the hospital and the name of the medical practitioner.

Step 2

Our emergency assistance service will verify whether the medical condition you are claiming for is eligible under your group policy.

Step 3

If your claim is eligible, our emergency assistance service staff will consider your emergency admission or your request for evacuation in relation to your medical needs.

Step 4

If our emergency assistance service agrees that your medical condition meets all of the following:

- is life-threatening
- is covered by your policy
- cannot be treated adequately locally, and
- requires immediate in-patient treatment

They will make all the necessary arrangements to have you moved by air and/or surface transportation to the nearest hospital where appropriate medical treatment is available.

Our assistance service will also ensure that any eligible costs at the destination, such as admission costs, are settled directly with the hospital.

Step 5

Once you have received your medical treatment, if our emergency assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate you to your appropriate destination, provided that you are medically fit to travel.

Important notes:

We will only pay for evacuation costs that have been authorised and arranged by our emergency assistance service.

We will not pay for your evacuation costs if the evacuation is directly or indirectly related to a medical condition which has been specifically excluded on your certificate of insurance, or to any other medical condition or event specifically excluded in your group policy.

3. 如何理赔

3.4 在申请理赔时，您需要提供的资料

请您确保完整填写我们所要求的所有表格。

自接受治疗日起六个月内，您必须将所有相关理赔信息提供给我们（不可抗力因素情况除外）。

3.5 我还需要提供其他信息吗？

有时候我们无法仅从您的理赔申请表来完成对您的理赔审核，这意味著我们可能需要您提供进一步的信息，这些将仅限于我们审核理赔所需要的合理信息。

我们可能需要您提供就诊病历记录，包括医疗转诊单。如果您无法合理提供给我们这些重要信息，我们将不得不拒绝赔付相关疾病理赔申请。这意味著我们将要求您返还我们此前已经赔付的与此疾病相关的理赔款。

当无法确定您的理赔是否在您的保险保障范围内时，我们可能会出资选择聘请医生复审您的理赔。他们可能会重新审查所有与此次理赔相关的医疗信息，或对您进行相关检查。我们会根据您的个人情况选择聘请相关医生进行复审。请您务必配合我们的医生，否则我们将不会赔付您的理赔。

3.6 如果同时投保了另一家保险公司，我应该如何申请理赔？

在提出理赔申请时，您必须向我们告知您是否能够从其他保险公司获得赔付。如果有其他的保单涉及此次理赔，我们将只对我们应当承担保险责任的合理的份额进行赔付。

如果您将此计划作为二级保险计划购买，在我们处理您的理赔之前，我们要求您提供以下信息：

- 您出于向主要医疗保险公司索赔为目的，已提交给您的主要医疗保险公司的理赔申请表、发票和收据的副本以及服务明细；和
- 一份由主保险公司出具的理赔通知书副本，其中显示了理赔情况评估详情，包括由您的主要医疗保险正在结算的理赔明细；和
- 您申请保险时未提供给我们的主要医疗保险的最新保险凭证的副本（如有）。

3.7 对于由他人导致的疾病或伤害，我应该如何申请赔付？

您必须在理赔申请表上注明您是否能够从他处或得任何赔偿。

如果您向我们提出申请赔付由他人导致的疾病所产生的治疗费用，我们仍将根据您的保险合同做出相关赔付。如果您向我们提出申请赔付由他人所导致的受伤所产生的治疗费用，我们有权根据法律规定向该第三方追偿我们已向您赔付的款项。您必须尽快告知我们您对该第三方所采取的任何行动，并将采取行动后所产生的任何结果或解决方法及时通知我们。

如果您成功从第三方获得任何赔偿，您必须在收到此赔偿后的21天内根据以下约定将所得款项直接返还给我们。

- 如果您对第三方提出的索赔获得全额支付，您必须全额返还我们的理赔款；
- 如果您对所受到的伤害只获得了部分赔偿，您必须将这笔赔偿返还给我们已抵消我们已赔付的理赔款。

如果您没有将所获赔偿金返还给我们（包括从第三方处获偿的任何利益），我们有权要求您偿还我们金额。

3. How to claim

3.4 What documents do you need to provide to us during a claim?

Please make sure that you complete all the forms we ask you to.

You must send us all your claim information within six months of the first day of treatment (unless this is not reasonably possible).

If the total in-patient/day-patient treatment amount you are claiming now or have claimed (per insured person, per medical condition, per period of cover) is equal or over RMB 8,000, please ensure Section 3 of the claim form is completed by the treating medical practitioner.

For claims equal or over RMB 8,000 you must send us original receipts.

For any claim amount more than RMB 10,000 or any overseas claims (settlement in non RMB), please also enclose a copy of your ID / passport.

3.5 Do I need to provide any other information?

It may not always be possible to assess the eligibility of your claim from the claim form alone, which means we may sometimes ask you for additional information. This will only ever be reasonable information that we need to assess your claim.

We may request access to your medical records including medical referral letters. If you don't reasonably allow us access to this important information, we will have to refuse your claim. This means that we will also recoup any previous payments that we have made for that medical condition.

There may be instances where we are uncertain about the eligibility of a claim. If this is the case, we may, at our own cost, ask a medical practitioner chosen by us to review the claim. They may review the medical facts relating to a claim or ask to examine you in connection with the claim. In choosing a relevant medical practitioner, we will take into account your personal circumstances. You must co-operate with any medical practitioner chosen by us or we will not pay your claim.

3.6 What should I do if I also have cover on another insurance policy?

If You are making a claim, You must tell Us if You are able to claim any costs from another insurance policy. If another insurance policy is involved, We will only pay Our proper share.

If You are buying this Plan as a Secondary Insurance Plan, We request You to provide the following before We process Your claim:

- A copy of Your claim forms, invoices and receipts with service breakdown submitted to the Primary Health Insurer for the purpose of claim from Your Primary Health Insurance; and
- A copy of the claims settlement advices issued by the Primary Insurer which show the claims assessment details including the breakdown of claims being settled by Your Primary Health Insurance; and
- A copy of an updated Certificate Of Insurance of Your Primary Health Insurance that was not provided to Us when You applied for cover, if any.

3.7 What should I do if the benefits I am claiming relate to an injury or medical condition caused by another person?

You must tell us on the claim form if you are able to claim any of the cost from another person.

If you are claiming for treatment for a medical condition caused by another person, we will still pay for benefits that you can claim under the group policy.

If you are claiming for treatment for an injury caused by another person, we obtain the right by law, to recover the sum of the benefits paid from the other person. You must tell us as quickly as possible about any action against another person and keep us informed of any outcome or settlement of this action.

Should you successfully recover any monies from the third party, they should be repaid directly to us within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, you must repay our outlay in full; or
- if you recover only a percentage of your claim for damages You must repay the same percentage of our outlay to us.

If you do not repay us (including any interest recovered from the third party), we are entitled to recover the same from you.

3. 如何理赔

3.8 如果您的保险合同中包含免赔额，门诊每次就诊免赔额和/或自付比例

免赔额，门诊每次就诊免赔额或自付比例都将显示在您的保险凭证上，并以于您的保费相同的币种收取。

免赔额，门诊每次就诊免赔额或自付比例是指当您的保险计划中的被保险人发生理赔时，您需对此承担的理赔成本。

当一个理赔申请可获赔付时，免赔额将会自动扣除，我们将先赔付保单范围内的住院或日间留院治疗的费用。

免赔额是基于每名被保险人于每个保险期间来扣除的。例如，如果被保险人在一个保险期间申请多于一次的住院治疗，则如果第一次理赔已经完成了免赔额可抵扣额，则该免赔额仅适用于首次符合条件的住院申请。如果第一次理赔后的免赔额未达到，则在支付任何合格理赔之前，可扣除免赔额的余额将从第二次索赔中扣除。

门诊每次就诊免赔额是基于每名被保险人于每次就诊来扣除的。例如，如果被保险人对单一或双重医疗状况的门诊咨询有不止一次的访问，则门诊每次就诊免赔额将适用于每次咨询。

自付比例是您在每个保险期限内支付合格理赔费用的百分比。例如，如果被保险人具有适用于符合门诊治疗的20%的自付比例，理赔额为1,000元，则被保险人必须支付200元，我们将支付理赔金额800元。

即使免赔额高于您的某次理赔申请金额，请您也务必将相关理赔申请表和账单提交给我们，以便我们正确地管理您的保险计划。当您向我们提交理赔时，我们将从应付理赔款中扣除免赔额，直至免赔额用完。

3.9 如何计算理赔应付款

所有中国大陆境内发生的理赔都只能以人民币进行结算。如果您的理赔是发生在中国大陆以外，我们也可以根据您的选择以您期望的币种进行支付（取决于当地货币和/或国际限制/监管规定）。我们会以就诊日期当天花旗银行的汇率为基准进行转换结算。

3. How to claim

3.8 If you have a deductible, an out-patient per visit excess and/or co-insurance on your policy

Any deductible, out-patient per visit excess or co-insurance applicable is shown on your certificate of insurance and charged in the same currency as your premium.

A deductible, an out-patient per visit excess or co-insurance is the amount you pay towards the cost of a claim for any insured person on your policy.

When a claim is made, any deductible is automatically deducted from the amount we pay in relation to eligible in-patient or day-patient treatment first.

The deductible applies per insured person, per period of cover. For example, if an insured person claims more than once for in-patient treatment during one period of cover, the deductible will only apply to the first eligible in-patient claim if the full deductible amount has already been fulfilled on the first claim. If the deductible has not been fulfilled after the first claim, the deductible balance will be taken from the second claim before any eligible claim amount is paid.

The out-patient per visit excess applies per insured person, per out-patient consultation in relation to eligible out-patient treatment. For example, if an insured person has more than one visit in relation to out-patient consultations for a single or multiple medical condition(s), then the out-patient per visit excess will be applied to each consultation.

A co-insurance is a percentage payment made by you towards the cost of an eligible claim per period of cover. For example, if an insured person has 20% co-insurance applicable on eligible out-patient treatment and the claimed amount is RMB 1,000, then the insured person will have to pay RMB 200 and we will pay RMB 800 towards this claim.

You need to submit your claim form and bills, even if the deductible or out-patient per visit excess is greater than the benefits you are claiming so we can administer your policy correctly. When you make a claim, we will reduce the amount we pay you until the deductible or out-patient per visit excess limit is used up.

3.9 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of treatment, and in the first instance will be paid in the same currency as the claim invoice. All medical expenses incurred in China can only be settled in RMB. If you incur medical expenses outside China, we will settle your claim reimbursement as per the currency you request (subject to local currency and/or international restrictions/ regulations). We will convert currencies based on the exchange rates quoted by Citibank as of the treatment date.
