3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

By contacting **Our Emergency** assistance service **You** will give **Us** the opportunity to arrange to settle **Your Hospital** bills directly where possible. It will also ensure that **Your** claim can be processed without any delays.

Step 1

Contact **Our Emergency** assistance service on +971 (0) 4450 1440 or email ClinicalService@now-health.com. This service is available 24 hours a day, 365 days a year.

They will need **Your** name and membership number as well as the **Hospital** name, telephone number and a contact name at the **Hospital** and the name of the **Medical Practitioner**.

Step 2

Our Emergency assistance service will verify whether the **Medical Condition** **You** are claiming for is **Eligible** under **Your Plan**.

Step 3

If **Your** claim is **Eligible**, **Our Emergency** assistance service staff will consider **Your Emergency** admission or **Your** request for **Evacuation** in relation to **Your** medical needs.

Step 4

If **Our Emergency** assistance service agrees that **Your Medical Condition** meets all of the following:

- is life-threatening
- is covered by **Your Plan**
- cannot be treated adequately locally, and
- requires immediate **In-Patient Treatment**

They will make all the necessary arrangements to have **You** moved by air and/or surface transportation to the nearest **Hospital** where appropriate medical **Treatment** is available.

Our Emergency assistance service will also ensure that any **Eligible** costs at the destination, such as admission costs, are settled directly with the **Hospital**.

Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

Important notes:

We will only pay for **Evacuation** costs that have been authorised and arranged by **Our Emergency** assistance service.

We will not pay for **Your Evacuation** costs if the **Evacuation** is directly or indirectly related to a **Medical Condition** which has been specifically excluded on **Your Certificate of Insurance**, or to any other **Medical Condition** or event specifically excluded in **Your Group Plan**.

3.4 What must I provide when making a claim?

Please make sure that **You** complete all the forms **We** ask **You** to.

You must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

3.5 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**.

There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

3.6 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

3.7 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

You must tell **Us** on the claim form if **You** are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, **You** must repay **Our** outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Plan** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

3.8 You have a Co-Insurance on Your Plan

Any **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Plan**.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover**. For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100, then the **Insured Person** will have to pay USD 20 and **We** will pay USD 80 towards this claim.

You need to submit **Your** claim form and bills, so **We** can administer **Your Plan** correctly.

3.9 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will endeavour to convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

3.10 What currencies can claims be made in?

You have the choice of claims reimbursement in either the currency of **Your Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice, subject to local currency and/or international restrictions/regulations and our partners bank's transacting capabilities.

3.11 What is the maximum length of prescription I can claim at one time?

6. Plan administration

6.1 The contract

The application form and any supporting documents, **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Plan** terms and conditions make up the contract between **You** and **Us**.

Your Plan is underwritten by Arabia Insurance Company S.A.L. and governed by the laws of UAE. As a consequence **Your Plan** may not meet the requirements of the relevant regulations in **Your** territory. Please ensure that **Your Plan** is suitable where **You** reside and that **You** comply with any necessary taxation or other obligations.

6.2 Premium payment

At the start of each **Plan** year, **We** will calculate **Your** new premium and let **You** know how much it is. **We** offer a choice of monthly, quarterly, semi-annual or annual premiums. Payments can be paid by credit card, bank transfers or cheques. Credit card and bank transfers can be used for annual premiums only. Premiums are payable for each person covered and any increase will normally take effect from the annual **Renewal Date** of **Your** membership.

If **You** pay by credit card, bank transfer or cheque, **We** will collect the first premium when **Your Plan** starts and subsequent premiums when they fall due. However **You** pay **Your** premium at the moment, bear in mind that **You** can change to another method simply by contacting **Our** customer service team on +971 (0) 4450 1410.

You must pay **Your** premium when it is due. Depending on **Your** preferred payment method, **You** must pay **Us** before the **Start Date**, the due date or within 30 days of **Our** written acceptance at the latest, if a cover note is issued. If **You** do not, **We** will cancel **Your Plan** and will not pay for any **Treatment** or **Benefit** entitlement arising after the date that the premium became due.

We make every effort to maintain premiums at as low a level as possible, without compromising the range and quality of the cover provided. **We** review premiums each year to take account of a range of statistical factors.

Typically the cost of premiums increases at a level higher than the Retail Price Index (RPI). **You** will receive reasonable notice of any changes in premium. **Your** premium will also include the amount of any insurance premium tax or other taxes or levies which are payable by law in respect of **Your Plan**.

Premiums are based on age at the **Entry Date** or subsequent **Renewal Date**. When the **Dependant** child is an **Insured Person**, the current age shown in the premium tables will apply.

You are not allowed to change the currency of **Your Plan** at renewal of **Your Plan** unless **You** change the **Country of Residence**, and the currency change (if any) is subject to underwriting.

6.3 Eligibility

6.3.1 Age limits

The maximum entry age is 79. **You** must be under 80 years of age at the **Entry Date** of **Your Plan**.

6.3.2 Full medical underwriting

Full medical underwriting requires each person to be covered by **Our Plan** to complete and return an application form including the medical declaration. If **You** answer "Yes" to any of the questions, **You** will be required to provide details of the date of, and diagnosis; past/current and future known **Treatment**; details of the frequency and severity of symptoms including the date of the last episode. If available, **You** should provide any medical reports or test results with **Your** application. **You** may be required to complete a further medical questionnaire if **We** require more information. All information will be treated in strict confidence.

We rely on the information that **You** provide in the application form when **We** decide whether or not to accept **Your** application, and whether or not **We** need to apply special terms. Special terms are exclusions or conditions that **We** may apply to **Your** cover. If **You** submit a claim for the **Treatment** of any condition which **You** omitted to tell **Us** about here, or **You** omit to tell **Us** everything about any condition, **We** may refuse to pay that claim. **We** will tell **You** about any excluded **Medical Conditions**, restriction of coverage, and/or additional loading on **Your Certificate of Insurance**.

6.3.3 Dependants

Dependants must be covered under the same level of **Benefits You** have, as the **Planholder**.

For example, if the **Insured Person** has elected for the SimpleCare 100 **Plan** option; they can decide to cover their **Dependant** under the same **Plan** option but not SimpleCare CORE **Plan** options.

6.3.4 Start Date

Cover starts on the **Start Date** shown on **Your Certificate of Insurance** provided **We** have received **Your** premium payment. Depending on the preferred premium payment method, a cover note may be issued and premiums will be due within 30 days of **Our** written acceptance.

6.3.5 Local legislation

Membership may depend on local insurance licensing legislation in **Your Country of Residence**.

You are obliged to meet local legislation requirements in **Your Country of Residence** at any time before and while **You** are a member of this **Plan**.

6.3.6 Non-Eligible residency

If **You** permanently reside in a country that is not covered by this **Plan** and which **We** have advised at **Renewal Date**, **You** are not **Eligible** for this **Plan**. For details of the **Excluded Countries** please contact **Our** customer service team on +971 (0) 4450 1410.

6.4 Adding a new Dependant

If subsequently **You** wish to add **Your** spouse, partner or child to **Your Plan**, **You** must either use **Your** online secure portfolio area at www.now-health.com or complete an add dependant application form. Cover will not start until **Your** application has been accepted by **Us** for that **Dependant** and **We** have received premium payment.

For Dubai Residence visa holders, no backdating of addition will be allowed. Only addition of new born babies can be backdated by 7 days from the date of birth.

6.5 Adding New Borns

You can apply to add **New Born** babies (who are born to the **Planholder** or the **Planholder's** spouse) to the **Plan** from their date of birth provided **You** notify **Us** of the addition within 7 days of their date of birth.

If **You** notify **Us** of the **New Born** babies addition after 7 days of their date of birth, **We** can only add them from the date of notification.

New Born babies addition can normally be done without filling out the details of their medical history provided **You** notify **Us** of their addition within 30 days of their date of birth. **You** can do this by applying via **Your** online secure portfolio area at www.now-health.com.

However, **We** will require details of the baby's medical history if :

- the baby was born within 10 months from **Your Start Date** or **Your** spouse's **Start Date**, whichever date is later; or
- the baby has been adopted; or
- the baby was born as the result of any method of assisted conception or following any type of fertility **Treatment**, including but not limited to fertility drug **Treatment**.

In such circumstances **We** reserve the right to apply particular restrictions to the cover **We** will offer, and **We** will notify **You** of those terms as soon as reasonably possible. This may limit **Your** baby's cover for existing **Medical Conditions**. This would mean that **Your** baby will not be covered for **Treatment** carried out for **Medical Conditions** which existed prior to joining, such as **Treatment** in a Special Care Baby Unit and **You** will be liable for these costs.

6.6 Changing Your cover

Subsequent changes in cover can only be made at renewal.

6.7 Renewing Your cover

Your Plan is for one year, the **Period of Cover**. Prior to the end of any **Period of Cover** **We** will write to the **Planholder** to advise on what terms the **Plan** will continue, provided the **Plan** **You** are on is still available. If **We** do not hear from the **Planholder** in response, **We** will renew **Your Plan** on the new terms. Where **You** have opted to pay premiums by continuous credit card payments or other payment method, **We** may continue to collect premiums by such method for the new **Plan** year. Please note that if **We** do not receive **Your** premium, **You** will not be covered. If the **Plan** **You** were on is no longer available, **We** will do **Our** best to offer **You** cover on an alternative **Plan**.

6.8 Local taxes

You are liable for any local taxes and charges as established by the applicable laws. These have to be paid in full by **You** and will be shown on **Your Certificate of Insurance**.

If **We** discover later it is not and that **Your** representations were deliberate, reckless or careless, then **We** may void the **Plan** (including not returning the **Plan** premium) or apply different terms of cover in line with the terms **We** would have applied had the information been presented to **Us** fairly in the first place. These terms may increase the **Plan** premium and reduce **Your** claim(s).
- 8.1.2** **You** must write and tell **Us** if **You** change **Your** address or occupation.
- 8.1.3** This **Plan** is available only to people living outside their **Country of Nationality** apart from certain countries where **We** have explicitly agreed to cover local nationals, so **You** must tell **Us** immediately if **You** or any family member has gone to live in **Your Country of Nationality** – which means they will be in that country for more than six months in the year. **You** must tell **Us** if **You** change **Your** principal **Country of Residence**. If **You** don't tell **Us** **We** can refuse to pay **Benefits** claimed for.
- 8.1.4** Only **We** and the **Planholder** have legal rights under this **Plan** and it is not intended that any clause or term of this **Plan** should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person including any family member.
- 8.1.5** If the **Planholder** dies and there is more than one **Insured Person** aged 18 or above, this **Plan** will automatically be transferred to the oldest **Insured Person** from the date of death, who will become the **Planholder**.
- 8.1.6** **You** must pay **Your** premium when it is due and in the currency of **Your Plan**. **We** will decide the amount at the start of each year and tell **You** how much it is. **You** can pay it in the way **You** have agreed with **Us**. **We** can change the amount of **Your** premium during a year to reflect any change in insurance premium tax or other taxes but **We** will tell **You** of the change. If **Your** premium payments are not up to date **Your Plan** will end.
- 8.1.7** The **Planholder** may cancel this **Plan** by contacting **Us** during the 14-day cooling off period. The 14-day cooling off period starts on the day that the contract is concluded or the day that full **Plan** terms and conditions are received, whichever is the later. The 14-day cooling off period also applies from each **Renewal Date**.
- If the **Plan** is cancelled during the 14-day cooling off period **We** will return any premium paid for the **Plan** providing no claims have been made on the **Plan**, in relation to the **Period of Cover** before cancellation (being no more than 14 days' cover). If **You** incur **Eligible** claims costs within that **Period of Cover** **We** reserve the right to require the **Planholder** to pay for the services **We** have actually provided in connection with the **Plan** to the extent permitted by law and any return of premium is subject to this. If the **Planholder** does not cancel the **Plan** during the cancellation period the **Plan** will continue on the terms described in this handbook for the remainder of the **Period of Cover**.
- We** may void the **Plan** for **You** (as the **Insured Person**) and **Your Dependants** in the following situations. If **You** or **Your Dependants**:
- Make a misrepresentation by withholding relevant information or giving **Us** incorrect information
 - Make a misrepresentation by making a false or fraudulent claim
 - Fail to provide any reasonable information **We** have asked for
 - Fail to pay the premiums due
 - If **You** move to the USA, or a country not covered by this **Plan** which may vary from time to time, of which **You** will be advised

- 8.1.8** **We** will not be liable for any misuse by **You** of such **Out-Patient Direct Billing** membership cards, if **We** have already paid the **Benefit We** can recover those sums from **You**.
- 8.1.9** This **Plan** shall be governed by and construed in accordance with the Laws of the UAE and the parties agree to submit to the jurisdiction of the UAE courts.
- 8.1.10** Please ensure that **You** show the following information to others covered under **Your Plan** or make them aware of its contents.

We and the Underwriters will deal with all personal information supplied in the strictest confidence as required by the Personal Data Protection Act. **We** and **Your** underwriters collect personal information about **You** and **Your Dependents** (including health, bank account and occupation) for the purpose of establishing and administering **Your Plan**. This includes information supplied by **You**, those family members, medical providers or **Your** employer (if applicable). **Your** information may be passed to Now Health group companies administering **Your Plan**, Underwriters, Insurers, Reinsurers, **Medical Practitioners**, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside **Your** country of residence. Confidentiality is required of any third parties to whom the administration of **Your Plan** may be subcontracted, including those based outside the country of **Your** residency. In certain circumstances, medical service providers (or others) may be asked to supply further information. **Your** personal details will not be disclosed to other organizations without **Your** consent.

You have a right of access to, and correction of, information that we hold about **You**. Please contact **Us** if **You** would like to exercise either of these rights. Some of the information **We** collect about **You** may be classified as “sensitive” – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain **Your** explicit consent before **We** process the information. When **You** provide information about family members, **We** will take this as confirmation that **You** have their consent to do so. As the legal holder of the **Plan** all correspondence about the plan, including claims correspondence, will be sent to the **Planholder**. If any family member over 18 insured under the **Plan** does not want this to happen they should apply for their own **Plan**.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the General Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a **Medical Practitioner's** fitness to practice may be impaired.

-
- 8.2.2** If for whatever reason there is a break in **Your** cover, **We** may reinstate the cover if the premium is subsequently paid, though terms of cover may be subject to variation. Any acceptance by **Us** is subject to **Our** written consent and **Your** acceptance.
- 8.2.3** **We** can refuse to add a family member to the **Plan** and **We** will tell the **Planholder** if **We** do.

- 8.2.5** If **You** break any of the terms of the **Plan** which **We** reasonably consider to be fundamental, **We** may (subject to 8.2.8) do one or more of the following:

- 8.2.7** Waiver by **Us** of any breach of any term or condition of this **Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.
- 8.2.8** If **You** (or anyone acting on **Your** behalf) make a claim under **Your Plan** knowing it to be false or fraudulent, (i.e. **You** make a misrepresentation) **We** can refuse to make **Benefit** payments for that claim and may declare the **Plan** void, as if it never existed. If **We** have already paid the **Benefit** **We** can recover those sums from **You**. Where **We** have paid a claim later found to be fraudulent, (whether in whole, or in part), **We** will be able to recover those sums from **You**.
- 8.2.9** **We** retain all rights of subrogation. **You** have no right to admit liability for any event or give any undertaking, which is binding upon **You**, **Your Dependants** or any other person named in the **Certificate of Insurance** without **Our** prior written consent.

No variation or alteration will be admitted unless it is in writing and signed on behalf of **Us** by an authorised employee.
- 8.2.11** **We will not provide cover nor pay claims** under this **Plan** if **Our** obligations (or the obligations of **Our** group companies & administrators) under the laws of any relevant jurisdiction including Malta, UAE, UK, European Union, the United States of America, United Nations resolutions, trade or economic sanctions or international laws sanctions, prevents or restricts **Us** from doing so.
- We will not provide You with any services or Benefits** including but not limited to acceptance of premium payments, claim payments and other reimbursements if in doing so, **We** violate applicable law, regulation, code or court order or are or will be otherwise sanctioned, prevented or restricted.
- We may terminate Your Plan** if **We** consider **You** or **Your** directors or officers as sanctioned persons, or **You** conduct an activity which is sanctioned, according to trade or economic laws & regulations.
- 8.2.12** This **Plan** is written in English and all other information and communications to **You** relating to this **Plan** will also be in English unless **We** have agreed otherwise in writing.
